While, News Agency of South Sudan (NASS) is established by the Government of the Republic of South Sudan, vide resolution of the council of Ministers in its regular meeting N0: 32/2009 held on Friday 30th, October 2009 under the Ministry of Information and broadcasting.

The main objective is to collect news from all parts of South Sudan and other parts of the world and circulate the Information timely to all media houses in hard or soft copies.

Of course the News Agency of South Sudan is still in its infant stage with numerous challenges.
