

We are grateful to the Cantor Arts Center's donors who made gifts of funds, new pledges, and gifts of art this last fiscal year, and are deeply touched by the generosity and loyalty of our friends whose bequest distributions will impact the museum in perpetuity. With a total of more than \$8 million, every aspect of the Cantor was impacted, through gifts for collections and exhibitions, community outreach and education, and unrestricted support. We thank every donor and annual member who contributed to this total. Space allows us to recognize here those gifts of \$500 and above. Names marked with an asterisk (*) indicate gifts of art.
