Memorandum for John Bellinger

Subsequent to today's meeting we have had further discussions that clarified the extent of today's approval of certain techniques. The authorized techniques are those previously approved for use with Abu Zubaydah (with the exception of the waterboard) and the 24 approved by the Secretary of Defense on 16 April 2003 for use by the Department of Defense. I have relayed this information to the CIA's Counterterrorist Center.
