

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

POLICE DEPARTMENT

This document is the NOBLE Management Audit Response Matrix. The NOBLE Audit Report is broken into 16 chapters of recommendations, which focuses on 25 key areas of concerns. I am pleased to report that we have accepted and have been working on implementing the majority of the recommendations. Although I feel we have made substantial progress in our efforts, we definitely still have much more work to do on re-building the police accountability and management systems from the ground up.

The following five goals were established for the organization by the BART General Manager:

1. Strengthening service to our customers (visibility)
2. Strengthening management oversight of the department (accountability)
 - a. Current policies
 - b. Formalize process for tracking policies
 - c. Assured delivery of increased training
3. Strengthening services to our communities
 - a. Cultural groups/activities
 - b. Cultural competence
4. Helping to establish citizen oversight
5. Provide support & resources to PD employees (morale)

Using the corresponding numerical number in front of the before mentioned priorities, I have categorized each of the specific recommendations from the NOBLE Audit under one of the priorities. Along with the category that the recommendation falls under, the matrix also lists the major key area of concern, a brief description of the recommendation, the page number the specific recommendation can be found on in the NOBLE Audit, the current disposition of the recommendation, any department action that has been taken regarding the recommendation, and who his responsible for follow up or follow through for the completion of each specific recommendation.

--------------------	--------------------	--------------------	--------------------------	-----------------	------------------

Going forward, we will report out on our progress on the NOBLE Audit twice a year (June & December). We also will begin to vet our department actions regarding each recommendation through our newly established Citizen Review Board (CRB).

Chief Kenton W. Rainey

RECRUITMENT & SELECTION					
BART PD should require essential signatory documents be signed by police officer candidates as a condition of employment. <ul style="list-style-type: none"> • Core Values • Vision Statement • Mission Statement • Law Enforcement Code of Ethics • Canons of Law Enforcement Ethics • Law Enforcement Oath of Honor. 	38	Completed/ Ongoing		5	Chief
BART PD should establish a Recruitment and Retention Advisory Council that represent a cross section of private and public employees, community members and stake-holders that receive BPD law enforcement services.	39	Accepted/ In Progress	Two members of the CRB, two members from the BPOA along with BART HR, BART PD personnel and training comprise the Recruitment/Retention Committee. The Committee meets monthly. Projected completion of plan by September 2013. An example of actions taken pursuant to the Committee's recommendation is as follows: Pre-Hires waiting	3	Deputy Chief Glenn-Davis & Lt. Gregson

			to attend an academy are provided instruction designed to increase their likelihood of success. Areas of instruction include, but are not limited to, report writing (taught by an academy instructor); firearms (from BART PD Range Staff); Physical Training (the PT instructor is a former RTO). Pre-hires also view POST Training DVD's and participate in ride-alongs (with patrol officers) and sit-alongs (in Dispatch).		
<p>BART PD should recruit qualified individuals from both private and public organizations who possess the following characteristics;</p> <ul style="list-style-type: none"> • Integrity • Service orientated • Interpersonal relations • Team compatibility • Performance driven 	40	Completed/ Ongoing		3	Deputy Chief Glenn-Davis & Lt. based organizations, student associations and private customer service organizations.					
BART PD should develop a flexible profile of an effective police officer by identifying the “most viable candidates.” BPD should identify the knowledge, skill, abilities, education, training, behaviors and traits that make an effective officer. This identifies a target upon which selection is based.	42	Completed/ Ongoing		3	Deputy Chief Glenn-Davis & Lt. Gregson
BART PD should continue to conduct ongoing studies on where police recruit candidates come from and why they want to work for BPD.	43	Accepted/In Progress	We have implemented a questionnaire and report for this information. Both are now part of our recruiting process. BPD has begun collecting information toward implementation of an ongoing analysis. Information from April 20, 2013, testing. Recruitment data reveals 36% Internet, 21% Friend, 18% BART Employee, 8.5% Relative, 8% Station/Train Ad, 4.3% Other, 3% Job Fair. Applicants Hired: 36% Originated from another BART Employee, 36% Originated from an Internet Ad, 27% Originated from a Friend. This DATA is YTD May 2013. Data reveals that internet sources of advertisements are effective and should be	2	Deputy Chief Glenn-Davis & Lt. Gregson

			continued. Also noteworthy are the number of referrals from employees. P&T continues to encourage employees to recruit viable candidates. Also, P&T sends position posting information to employees for dissemination. Community Policing emphasis and current employees' satisfaction levels appear to be the main reasons applicants seek employment at BART PD.		
BART PD should analyze recruitment effort by recognizing how much the Department knows about its past recruitment efforts.	44	Accepted/In Progress	We have completed a preliminary analysis, and will continue to gather data, refine the process and report results. 2012 recruitment data and 2013 recruitment data are trending the same. Most applicants are informed about hiring via the internet, BART employees, or a friend/relative.	2	Deputy Chief Glenn-Davis & Lt. Gregson
BART PD should develop a recruitment plan that addresses the questions of what qualities are desired, where and how your agency will find candidates with the desired qualities, and how the Department will achieve its recruitment goals.	45	Accepted/In Progress	A recruitment plan will be incorporated as part of our strategic plan. Recruitment/Retention Plan has been initiated through the recruitment and retention committee. Projected RRP completion date of September 2013. Draft submitted May, 2013.	2	Deputy Chief Glenn-Davis, & Lt. Gregson
BART PD should not require more than two round-trip visits to complete the entire application process for out-of-state police officer candidates.	47	Completed/Ongoing	At the April 2012 test date, an out-of-state applicant was allowed to complete the written, physical and oral board testing in one day. Current applicants are now allowed to complete	2	Deputy Chief Glenn-Davis & Lt.

			the polygraph, medical, and psychological evaluation on a second visit.		
BART PD should ensure contact is maintained with applicants for all positions from initial application to final employment disposition.	48	Accepted/ Ongoing	Although we already maintain contact with applicants we will develop recruitment protocols and a written procedure will be incorporated into our RRP (which has a projected completion of September 2013) Applicants are typically notified 30 days) prior to practice test/ informational session. Applicants are typically notified 30 days prior to entry level testing. Applicants are typically notified of results, 3 weeks after entry level testing Applicants are notified of status and duration of eligibility within two weeks after interview assessment. Applicants placed in eligibility pool are notified on date of expiration. Applicants in background phase are typically contacted weekly informing them of the status of their background investigation. Written procedure on-going, being addressed by RRP Committee.	3	Deputy Chief Glenn-Davis & Lt. Gregson
BART PD should adapt a customer-focused hiring philosophy through personalizing the recruitment process.	49	Accepted/ In Progress	We have implemented a "practice" physical agility (open to all, but geared toward female candidates) to assist with successful completion of that portion of the exam. We have also	3	Deputy Chief Glenn-Davis & Lt. Gregson

			<p>implemented a pre-test informational seminar to provide testing tips/information to candidates. The Department is implementing a "family orientation night," designed to inform/educate attendees about the BPD/law enforcement. We will work with CRB to look at implementing other desirable, customer-focused practices (to be codified in RRP, projected completion by September 2013. In addition, personal contact is maintained with applicants in the backgrounds phase (on a weekly basis) in order to keep them up to date on their status. Applicants in backgrounds are also provided the Department Newsletter in order to facilitate connectivity to the Dept. Members from the P&T Unit and HR regularly attend job fairs, academies, public events, colleges. Presentations to potential applicants includes, but is not limited to, an overview of BART and the system map, information about special assignments; BART and BPD (i.e. expansion, ridership, # of employees, etc.); typical shifts; types of cases; benefits; testing tips, etc.</p> <p>Family Night Draft to be submitted to Command Staff for discussion by July 30, 2013.</p>

	53	BART PD should expose recruits' families to law enforcement culture/family orientation.	Police Academies used by BPD have family-centered events which expose families to law enforcement culture during the academy and graduation.
