

# SAN FRANCISQUITO CREEK

JOINT POWERS AUTHORITY

## Changes in the cost of Flood Insurance: How it affects you

The San Francisquito Creek Joint Powers Authority (JPA) invites residents of Palo Alto, East Palo Alto, and Menlo Park to a community meeting regarding the latest changes to the National Flood Insurance Program (NFIP) and flood insurance rates.

A new law approved in 2012 and recently modified makes significant changes to flood insurance rates and policies that affect residents and businesses in the FEMA-designated floodplain.

Edie Lohmann, NFIP Flood Insurance Specialist, will present information on the latest legislative changes, how they affect your insurance, and answer questions about flood insurance, elevation certificates, and related topics.
