

BeWell Community Garden's Harvest Festival

October 7th • 11AM – 1PM

Photos Credited to Stanford R&DE

bewell.stanford.edu/harvest-event

Come mingle with fellow home and campus gardeners as we celebrate the harvest season. Bring your abundance of fruits and vegetables from your home or campus garden to exchange with other gardeners. Volunteers from around campus will provide gardening mini-workshops and R&DE will offer cooking demonstrations. Sip on fresh pressed cider while visiting HIP, BeWell & Stanford Gleaner representatives.

Located on Oak Road
(closest cross street is Welch Rd.)
C Line Marguerite & free bike valet parking
