

LIBRARIES of Stanford University

UNIVERSITY LIBRARIES

- 1 Archive of Recorded Sound—650/723-9312
Braun Music Center
- 2 Art and Architecture Library—650/723-3408
Cummings Art Building, Main Floor
- 3 Biology Library (Falconer)—650/723-1528
Herrin Hall, Third Floor
- 4 Chemistry and Chemical Engineering Library (Swain)—650/723-9237
Organic Chemistry Building
- 5 Classics Library (Lionel Pearson)**—650/723-0479
Building 110, Second Floor
- 6 Earth Sciences Library (Branner)—650/723-2746
Mitchell Earth Sciences Building, Second Floor
- 7 East Asia Library—650/725-3435
Meyer Library, Fourth Floor
- 8 Education Library (Cubberley)—650/723-2121
Education Building, Second Floor - Room 202
- 9 Engineering Library (Terman)—650/723-0001
Jen-Hsun Huang Engineering Center, Room 201
- 10 Government Documents (Jonsson Library) Reference—650/725-1064
Green Library, Bing Wing
- 11 Green Library (Humanities & Social Sciences)—650/723-9108
Loan & Privileges Desk—650/723-1493
- 12 Hoover Institution on War, Revolution and Peace
A. Hoover Institution Library*—650/723-2054
B. Hoover Institution Archives*—650/723-3563
- 13 Law Library (Crown)*—650/723-2477
School of Law
- 14 Map Collections (Branner Library)—650/725-1103
Mitchell Earth Sciences Building, Second Floor Mezz.
- 15 Marine Biology Library (Miller)***—831/655-6229
Hopkins Marine Station
Pacific Grove, California
- 16 Mathematics and Statistics Library—650/723-4672
Sloan Mathematics Center, Building 380, Fourth Floor
- 17 Medical Library (Lane)*—650/723-6831
Medical Center, Lane Building
- 18 Meyer Library (J. Henry Meyer Memorial)—650/724-5600
Academic Computing Services
- 19 Music Library—650/723-1211
Braun Music Center
- 20 Philosophy Library (Tanner)**—650/723-1539
Building 90
- 21 Special Collections—650/725-1022
Green Library, Bing Wing, Second Floor
- 22 Stanford Auxiliary Library (SAL1&2)—650/723-9201
691 Pampas Lane
- 23 Stanford Graduate School of Business Library—650/725-1055
Knight Management Center, Bass Center Bldg
- 24 SLAC National Accelerator Laboratory Research Library*—650/926-2411
2575 Sand Hill Road; Bldg 50, Foyer
Menlo Park, California

University Libraries*

Archive of Recorded Sound (1)

<https://lib.stanford.edu/ars>

Archives over 300,000 recordings in all formats, including Western art music, popular music and jazz, and spoken word recordings.

Art and Architecture Library (2)

<http://lib.stanford.edu/art>

Extensive printed/visual materials and special collections, focusing on history/practice of art, architecture, and design. Reference/instructional services.

Biology Library (Falconer) (3)

<http://lib.stanford.edu/falconer>

Collection covers broad range of the life sciences. Areas of emphasis are biochemistry, biophysics, genetics, ecology, population biology, and more.

Chemistry and Chemical Engineering Library (Swain) (4)

<https://lib.stanford.edu/swain>

Provides resources/services in support of chemistry and chemical engineering research and instruction. Some online databases are Stanford-restricted.

Classics Library (Lionel Pearson) (5)

<http://library.stanford.edu/depts/classics/classics.html>

Collection of Greek and Roman antiquity. Titles in the Loeb Classical Library, the Oxford Classical Texts, and other series of ancient texts.

Earth Sciences Library (Branner) (6)

<http://lib.stanford.edu/branner>

Collection contains printed materials, online references and images. GIS workstations and programs available for faculty, students and staff.

East Asia Library (7)

<http://lib.stanford.edu/eal>

Comprehensive collection of monographs, serials, government documents and periodicals in Chinese, Japanese, and Korean languages.

Education Library (Cubberley) (8)

<http://www.stanford.edu/group/cubberley/>

Wide range of education books, journals, and online materials, plus historic and current textbooks, historic reports and college catalogs.

Engineering Library (Terman) (9)

<http://lib.stanford.edu/englib>

Provides resources/services to support the research and teaching of the School of Engineering departments, institutes, and labs and the Departments of Physics/Applied Physics. Fine payments accepted.

Government Documents (Jonsson Library) (10)

<http://library.stanford.edu/depts/jonsson/>

Publications and information on most subjects, with emphases on demography and population, education, international relations, and more.

Green Library (Cecil H. Green) (11)

<http://infocenter.stanford.edu/>

Collections include humanities, social sciences, and Special Collections. The Information Center, Privileges, Media Microtext, HDIS, SSDS and Interlibrary Services are located in Green. Fine payments accepted at the Loan Desk.

Hoover Institution Library (Hoover Tower) and Archives (Herbert Hoover Memorial Bldg.) (12)

<http://www.hoover.org/hila/>

Collections focus on international political, social, and economic events in the 20th and 21st centuries.

Law Library (Crown) (13)

<http://www.law.stanford.edu/library/>

The law library supports the research mission of the law school. Members of the Stanford University community are welcome to use the library.

Map Collections (Branner Library) (14)

<http://lib.stanford.edu/branner/maps>

Collection includes a wide range of social science and humanities topics; emphases on geological, seismological, hydrological, natural hazards, etc.

Marine Biology Library (Miller at Hopkins Marine Station) *Not on Map (15)

<http://lib.stanford.edu/miller-library-marine-biology>

Broad coverage of marine biology with special emphasis on development, neurobiology, ecology, and physiology of marine organisms.

Mathematics and Statistics Library (16)

<http://lib.stanford.edu/mathstat>

Broad coverage of mathematics and statistics. Houses a large collection of historical technical reports in applied mathematics, statistics, and computer science.

Medical Library (Lane) (17)

<http://lane.stanford.edu/>

Extensive online literature, specialty portals, and print resources for medicine, biomedicine, nursing, public and allied health, and related fields. Open to the public.

Meyer Library (J. Henry Meyer Memorial) (18)

<http://library.stanford.edu/depts/meyer/>

Houses Academic Computing Services, Student Computing, Residential Computing, Multimedia Studio, computer clusters, and the East Asia Library.

Music Library (19)

<http://lib.stanford.edu/music/>

Collection includes books, scores, journals, videos, recordings, instrument drawings, and microforms, with heavy emphasis on Western art music.

Philosophy Library (Tanner) (20)

<http://library.stanford.edu/depts/tanner/tanner.html>

A collection that supports teaching and research in the Philosophy Department by duplicating a selection of Green Library's philosophy holdings.

Special Collections (21)

https://lib.stanford.edu/spec_blog

Historical research in all formats, including printed books, manuscripts, maps, photographs, and prints.

Stanford Auxiliary Library (SAL1&2) (22)

http://library.stanford.edu/depts/accsrv/sal_main/

Houses overflow materials and low use items for the Stanford Libraries.

Stanford Graduate School of Business Library (23)

<http://www.gsb.stanford.edu/jacksonlibrary/>

Supports the curriculum and research of the GSB. Collection covers all areas of business. Open to the Stanford community for business research needs.

SLAC National Accelerator Laboratory Library (24)

<http://www.slac.stanford.edu/library/>

Provides information needs for laboratory research programs in photon science, high-energy and particle physics, and astrophysics.
