

Technical Facilities Hosting Services – Auxiliary Data Center (ADC)

A. Appendix A – Security Access

For Security Access to the ADC, please contact TFAC at
its-tfac-team@mailman.stanford.edu

Refer to Appendix B regarding delivery and installation of equipment

2. Security/Surveillance

- **Security and Access**

All doors into the ADC building are locked 24 X 7.

Entry into the building is controlled by a local ID card access system. The ADC is alarmed.

For more information and Security Access, please contact TFAC at

its-tfac-team@mailman.stanford.edu
