

Dental care when traveling

We'll do whatever it takes and then some.

Care you can rely on

Needing dental care when you're traveling isn't an experience you plan on, but Delta Dental makes it easy for you to get the care that you and your family need.

Delta Dental plans make it easy for you to get the dental care you need, when and where you need it. If you're traveling (either domestically or abroad) and you or a family member has a dental emergency and needs care, your dental plan has allowances for out-of-network and out-of-area treatment.

Delta Dental PPOSM & Delta Dental Premier[®]

In the U.S.

When you're covered under the Delta Dental PPO plan, you and your family members can visit any licensed dentist anywhere in the world. Although you can visit any dentist, you'll usually save more on your out-of-pocket costs when you visit a Delta Dental PPO dentist. The Delta Dental Premier network — our larger network consisting of nearly 80% of dentist locations nationwide — provides cost-saving features and is the next best option for a dentist when you can't find a PPO dentist. You can find both PPO and Premier dentists using our enhanced online dentist directory at deltadentalins.com.

Outside the U.S.

If you're traveling outside of the U.S. and are therefore unable to visit either a PPO or Premier dentist, you'll still be able to take advantage of your out-of-network benefits if you need to receive care. Please refer to your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your Delta Dental benefits and the limitations and exclusions of your plan when receiving treatment from a non-Delta Dental dentist.

DeltaCare[®] USA

Under this plan, you must visit your selected DeltaCare USA dentist to receive benefits with the exception of out-of-area emergency care. Your

Who pays the dentist?

You do, and you may need to pay in full at the time of service. Be sure to get a detailed receipt so you can submit a claim directly to Delta Dental for reimbursement of the covered portion. Once we receive your claim, we will reimburse you according to the non-Delta Dental dentist benefit (for Delta Dental PPO and Delta Dental Premier) or out-of-area emergency benefit (for DeltaCare USA) provided through your plan. As with any dental plan, this reimbursement may not cover your entire cost.

Please review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.

How do I submit a claim?

You can download and print a claim form from the Enrollee page of our website. Submit this claim form with your detailed receipt, which must include the dentist's name, address (including city/country), services performed and a list of the teeth treated. The receipt also should indicate the currency in which the dentist billed (whether in U.S. dollars or another currency if traveling outside the U.S.).

When submitting non-English receipts or dental records, please try to translate as much information as possible into English or provide a patient statement in English, detailing the treatment received. Be sure to include your current address and phone number so Delta Dental can contact you with any questions.
