

Stanford MOCA[®] Simulation Course

A Continuing Medical Education Conference

Presented by the Center for Immersive and Simulation-based Learning

May 11, June 1, June 26 (pediatric focused), July 17,
September 28, October 2, 2015, and Additional 2016
Dates are Forthcoming
Li Ka Shing Center for Learning and Knowledge

Stanford MEDICINE

CENTER FOR
IMMERSIVE AND
SIMULATION-BASED
LEARNING
STANFORD MEDICINE

PROGRAM AGENDA *(Subject to change)*

7:45am-7:55am	Introduction and Welcome <i>David Gaba, MD and faculty</i>
7:55am-8:05am	Review of Educational Objectives <i>David Gaba, MD</i>
8:05am- 8:35am	Orientation to Course <i>All faculty</i>
8:35am-9:20am	Trigger Video <i>All faculty</i>
BREAK	
9:35am-9:55am	Familiarization with Simulator and Environment <i>All Faculty</i>
9:55am-11:10am	Simulation and Debriefing #1 <i>All Faculty</i>
11:10am-12:25pm	Simulation and Debriefing #2 <i>All Faculty</i>
LUNCH	
1:00pm-2:15pm	Simulation and Debriefing #3 <i>All Faculty</i>
2:15pm-3:30pm	Simulation and Debriefing #4 <i>All Faculty</i>
3:30pm-4:45pm	Simulation and Debriefing #5 <i>All Faculty</i>
4:45pm-5:15pm	Q&A with Wrap Up <i>All Faculty</i>

Opportunities for Q & A will be provided at the conclusion of each presentation

Stanford MEDICINE

Sponsored by the Stanford
University School of Medicine

FACULTY

*All faculty are affiliated with the Stanford
University School of Medicine*

David Gaba, MD
Associate Dean for Immersive and
Simulation-based Learning
Professor, Anesthesia
Course Director

Steven Howard, MD
Associate Professor, Anesthesia
Course Co-Director

Naola Austin, MD
Clinical Instructor, Anesthesia

Ruth Fanning, MD
Clinical Assistant Professor, Anesthesia

Sara Goldhaber-Fiebert, MD
Clinical Assistant Professor, Anesthesia

T. Kyle Harrison, MD
Clinical Assistant Professor, Anesthesia

Anita Honkanen, MD
Clinical Professor, Anesthesia

Calvin Kuan, MD
Clinical Associate Professor, Anesthesia

Steven Lipman, MD
Clinical Associate Professor, Anesthesia

Faculty Disclosure

The Stanford University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of faculty and commercial relationships will be made prior to the activity.

Statement of Need

The American Board of Anesthesiology now requires anesthesiologists to participate in one simulation-based training course every ten years in order to maintain certification. This course is designed to meet this requirement for anesthesia delivery providers and is delivered by leaders in anesthesia and the field of simulation-based training. The course offers hands-on practice related to current techniques, diagnosis and treatment of difficult anesthesia cases, as well as teamwork in crisis situations through Crisis Resource Management (CRM) training.

Target Audience

The course is intended for local, national, and international anesthesiology providers, including CRNA's.

Learning Objectives

- Develop strategies to apply technical skills to appropriately diagnose and treat anesthesia emergencies.
- Develop strategies to apply crisis resource management skills during clinical crisis situations.
- Develop strategies to apply reflective and self-assessment skills to review and analyze clinical performance.

Accreditation

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Stanford University School of Medicine designates this live activity for a maximum of 8.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements; as long as the course is certified for *AMA PRA Category 1 credit(s)*[™] (*rn.ca.gov*). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.

Enrollment – Please register early, space is limited.

Cost: \$2,000 (your registration fee covers: tuition, syllabus, continental breakfast, and lunch)

To register for this course, visit

<http://tinyurl.com/MOCAstanford> or contact:

Michelle Otis

Education Program Manager

291 Campus Drive, LKSC-LK020

Stanford, CA 94305

T: 650-725-6790

E: motis@stanford.edu

Cancellation Policy

There is no refund for cancellations within 60 days of the course if we are unable to fill the seat (note: we do our best to fill vacancies). If the seat can be filled, a \$75 processing fee will be charged. NO refund is given if registration is canceled less than 30 days prior to the course. Course dates are subject to cancellation if there are insufficient registrants 14 days prior to the course. You will be notified 30 days in advance if this is a possibility.

Stanford University School of Medicine is fully ADA compliant. If you have needs that require special accommodations, including dietary concerns, please contact motis@stanford.edu or 650-725-6790.

Conference Location

Li Ka Shing Center for Learning and Knowledge

Immersive Learning Center – Ground Floor
