

# STANFORD ENGINEERING OPEN HOUSE 2014

- 1** Architectural Design  
Civil Engineering  
Atmosphere and Energy  
Environmental Engineering
- 2** Electrical Engineering  
Materials Science and Engineering  
Chemical Engineering  
Computer Science
- 3** Mechanical Engineering  
Aeronautics and Astronautics  
Product Design  
Management Science and Engineering
- 4** Bioengineering  
Biomedical Computation  
Biomechanical Engineering  
Engineering Physics
- 5** Student Groups  
Career Development Center  
Engineering Organizations

### ACADEMICS

Mathematics  
Chemistry  
Physics  
Engineering  
Biology

### EXPERIENCE

Research  
Class Projects  
Student Groups  
Internships

### ENGINEERING

PhD  
Coterm/Masters  
Employment  
Entrepreneurship
