

## **FISH**

**Materials:** Cotton prints or solids, Felt for the eye and the pupil, polyfill stuffing.

**Cut out fabric. Topstitch one eye on each piece of body, so that they line up when the seam is sewn. Topstitch pupil on eye. Put right sides together. Sew the seam  $\frac{1}{4}$ " around the body, leaving a small space to turn the fish to the right side. Turn the fish to the right side. Stuff with polyfill. Close the opening with handstitching, making it very secure.**
