EXHIBIT A

LMIHF Deferral Repayment Schedule
Payments to the City of Sunnyvale Low and Moderate Income Housing Asset Fund
By the Successor Agency to the Redevelopment Agency of the City of Sunnyvale

Pursuant to HSC section 34171(d)(1)(G), payments on loans from and deferrals of former Redevelopment Agency of the City of Sunnyvale’s Low and Moderate Income Housing Fund ("LMIHF") are enforceable obligations, provided the Oversight Board approves a repayment schedule. Pursuant to HSC section 34176(e)(6)(B), repayment of obligations related to LMIHF deferrals by redevelopment successor agencies are subject to calculation of a maximum repayment amount authorized each fiscal year, equal to one half of the increase between “the amount distributed” to the taxing entities in that fiscal year and the amount distributed to taxing entities in the FY 2012-13 base year.

The estimated amount of residual Redevelopment Property Tax available for calculation of the maximum payment is summarized in the following table. It is based on projected growth in assessed values in the Sunnyvale Redevelopment Project Area and assumes that all proposed ROPS are approved by the Oversight Board and the Department of Finance as presented to the Department. Higher growth rates or lower amounts of approved ROPS payments would result in a greater residual available for repayment of the Successor Agency’s LMIHF Deferral obligations.

The Successor Agency intends that the actual repayment amount each ROPS period would be no greater than the maximum amount allowed pursuant to the formula contained in HSC 34176(e)(6)(B). As such that amount would vary depending upon the amounts approved for distribution to the Successor Agency for the payment of enforceable obligations and the administrative allowance, as well as the amount deposited in the RPTTF for each ROPS period. The schedule below is a sample repayment schedule but is not intended to limit the amount or timing of the repayments, which could vary depending on actual residual in a ROPS period within a fiscal year.

* No repayment of the LMIHF obligation is anticipated in FY 2018/19 through FY 2020/21 due to the payment of the ARDDOPA accrued public improvement obligation projected to start in FY 2017/18. The FY 2017/18 through FY 2019/20 residual distribution is estimated to be less than the FY 2012/13 base year.
