

# Jasper Ridge Biological Preserve

Stanford University  
4001 Sand Hill Rd  
Woodside, California 94062

STUDENT APPLICATION: JASPER RIDGE EDUCATION PROGRAM  
(Bio 105 A/B Education/Docent Training formerly Bio 96) DUE November 15th

Name \_\_\_\_\_ Date \_\_\_\_\_

Major \_\_\_\_\_ Year \_\_\_\_\_ GPA \_\_\_\_\_

email: \_\_\_\_\_ Phone \_\_\_\_\_

Address: \_\_\_\_\_

To complete your application please respond to/summarize the following points:

- 1) Why you want to take Bio 105A/B.
- 2) Have you had any related experiences in other ecology or environmental education programs?
- 3) Your background in natural sciences: biology, botany, geology etc
- 4) Any related experiences or interests, for example, ecology projects, birding, archaeology etc
- 5) Do you have any special research or education interest relevant to Jasper Ridge Biological Preserve. Explain
- 6) BIO 105 A/B is two quarters, winter and spring. The classes are Thursday afternoons from 1:00 to 5:00 with some additional times at the Preserve during those two quarters. Can you make a commitment to Bio 105 A/B every Thursday afternoon during winter and spring quarters as well as the time required to be an active member of the JRBP community during the next few years?
- 7) Have you visited the Preserve? If so, explain.
- 8) Do you know anyone who is a Jasper Ridge affiliate, researcher, class instructor or ranger?
- 9) Describe related courses you have taken
- 10) How did you hear about this course?

Return this application to Cindy Wilber, JRBP Education Coordinator.
