Karen,

You don't have to worry about actually putting this new section into the Word version. We have staff editors who will take care of that. If you'll just tell us where you suggest it should go, we can take care of it.

CPO keeps a close hand on the Word version of the DIOG. I've only recently had access to it myself.

But, if you really need a copy, I can get permission to give this section to you.

[Redacted] is there anyway to get a word version of the NSL section that the "acting" authority guidance will go in?
