WINTER 2015 CLASS SCHEDULE

CHILDREN'S FINE ART AT THE PALO ALTO ART CENTER

Help your children develop skills in the arts, experience the power of creative expression, build confidence, and explore their interests, all in a fun and supportive environment. We offer a variety of art classes and summer workshops for the artist in every child, from preschoolers to teens. Dozens of classes are offered for every interest and skill level in a broad range of media, including traditional media such as drawing, painting, and ceramics, and new media such as digital video and stop-motion animation. Because classes are taught by highly trained professional artist instructors with limited group sizes, students of all ages receive individualized attention.
