A Continuing Medical Education Activity

COURSE OVERVIEW

Continuous advances in clinical science require pediatric and family primary care practitioners to obtain comprehensive, up-to-date information on a wide variety of clinical issues that may be encountered in daily practice in the care of newborns, children and adolescents. *Practical Pediatrics – North Bay 2016* is based on identified clinical challenges of physician learners combined with recommendations from Stanford Children's Health expert faculty. The course will focus on clinical management strategies of conditions in pediatric gastroenterology, urology, cardiology, neurology, ophthalmology, pulmonology and psychiatry. Preparing for a pediatric office emergency will also be covered.

COURSE OBJECTIVES:

- Utilize clinical guidelines in the treatment of bronchiolitis and pertussis
- Based on current best practices, assess the adolescent with depression and treat or refer appropriately
- Apply the latest advances and best practices in the evaluation, treatment and referral of a child with abdominal pain, cardiac murmur, headache or eye conditions
- Differentiate between worrisome and benign urologic conditions in the child
- Develop a plan for responding to a clinical emergency in the office.

INTENDED AUDIENCE

This activity is intended for pediatricians, family physicians, primary care physicians, nurse practitioners, nurses and interested allied health professionals who provide care for children and adolescents.

ACCREDITATION AND DESIGNATION OF CREDITS

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Stanford University School of Medicine designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements, as long as the course is certified for *AMA PRA Category 1 Credit(s)™* (rn.ca.gov). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.

ACCOMMODATIONS

Hotel Information: A limited block of rooms are being held for conference participants at the Fairmont Sonoma Mission Inn. Reservations should be made directly by visiting <https://resweb.passkey.com/go/stanford2016> or calling (800) 441-1414. Be sure to indicate that you are with the Stanford Practical Pediatrics group.

Room rates are as follows:

Room Type	Single/Double Rate
Fairmont Rooms	\$229.00
Deluxe Rooms	\$279.00
Junior Suites	\$369.00
Mission Suites	\$409.00

Special rate dates: January 22-23, 2016 (subject to availability)

All reservation requests must be made by December 22, 2015 in order to qualify for the special group rate. Room rates are subject to State Hotel Room Tax of 11%. Reservations and deposits received after December 22, 2015, or exceeding the contracted room block, will be confirmed on a space and rate available basis only. Individuals will be required to guarantee their reservations for late arrival in cash or by use of a major credit card.

Cancellation of individual reservations made up to 5 days prior to arrival will be accepted, and the deposit refunded for those rooms for the full night's stay. Any no-shows, early departures, or other reductions to length of stay from 5 days prior to arrival will also forfeit full room and tax.

COURSE REGISTRATION CANCELLATION AND REFUND POLICY

Registration fees, less a \$50 dollar administrative charge, are refundable if written cancellation is received prior to January 8, 2016. No refunds will be given for cancellations received after this date or for conference non-attendance. We reserve the right to cancel or postpone any program if necessary. In such case, full refund of registration fees will be given. We are not responsible for other costs incurred such as non-refundable airline tickets or hotel penalties.

ABOUT LUCILE PACKARD CHILDREN'S HOSPITAL STANFORD

Lucile Packard Children's Hospital Stanford is devoted entirely to the care of children and expectant mothers. Providing pediatric and obstetric medical and surgical services, and associated with the Stanford University School of Medicine, Packard Children's offers patients locally, regionally and nationally a full range of health care programs and services – from preventive and routine care – to the diagnosis and treatment of serious illness and injury.
