BAY AREA WATER SUPPLY AND CONSERVATION AGENCY BOARD OF DIRECTORS

The Bay Area Water Supply and Conservation Agency (BAWSCA) was created on May 27, 2003 to represent the interests of twenty-four (24) cities and water districts, and two (2) private utilities, in Alameda, Santa Clara and San Mateo counties that purchase water on a wholesale basis from the San Francisco regional water system.

BAWSCA was enabled by AB 2058 (Authors: Assembly members Louis Papan, John Dutra and Joe Simitian). The Legislature's overwhelming support for the bill demonstrated the state's recognition of the need for local government to protect the health, safety and economic well being of 1.7 million people, businesses and community organizations in the three counties.

BAWSCA is the only entity having the authority to directly represent the needs of the cities, water districts and private utilities (wholesale customers) that depend on the regional water system. BAWSCA provides the ability for the customers of the regional system to work with San Francisco on an equal basis to ensure the water system gets fixed, and to collectively and efficiently meet local responsibilities.

Authorities: BAWSCA has the authority to coordinate water conservation, supply and recycling activities for its agencies; acquire water and make it available to other agencies on a wholesale basis; finance projects, including improvements to the regional water system; and build facilities jointly with other local public agencies or on its own to carry out the agency's purposes.

BAWSCA is governed by a twenty-seven (27) member Board of Directors comprised of respected community leaders representing the 25 cities and water districts that are member agencies of BAWSCA, and two private utilities that also have appointees to the board, Stanford University and California Water Service Company. Santa Clara County Board of Supervisors only appoints to the seat representing Stanford University.

CHILD ABUSE COUNCIL

The Council has been active in carrying out its original charge of recommending programs for funding by the Children's Trust Fund. The Children's Trust Fund consists of funds from fees for birth certificates, collected pursuant to Section 103625 of the Health and Safety Code, grants, gifts, or bequests from private sources to be used for child abuse and neglect prevention and intervention programs, and any funds appropriated to the County for the trust fund by the Legislature.

The Child Abuse Council originated as the Child Abuse and Neglect Coordinating Committee, an organization created in 1982 when the state authorized funding for child abuse and neglect services. On February 24, 1987, the Board of Supervisors designated what is now called the Child Abuse Council as the local voluntary commission, board, or council to carry out the purposes of Section 18966 of the State Welfare and Institutions Code.

The duties of the Council are: 1) To provide a forum for interagency cooperation and coordination in the prevention, detection, treatment and legal processing of child abuse cases. 2) To promote public awareness of the abuse of children and the resources available for intervention and treatment. 3) To facilitate training of professionals and paraprofessionals in the detection, treatment and prevention of Child Abuse. 4) To recommend to the Board of Supervisors improvements in services to families and victims to encourage and facilitate community support for child abuse programs. 5) To screen candidates for the Allocations Committee who recommend to the Board of Supervisors programs to be funded with the Children's Trust fund.

The membership of the Council consists of twenty-three (23) voting members.

The members shall be selected based on the following criteria:

- a) Primary consideration is based on the content of the application and references.
- b) A member shall provide insight into the issues of treatment, prevention, and education about child abuse.
- c) A member needs experience and background in the child abuse field and should be involved actively in the community.

The Board of Supervisors appoints members from nominations of the Child Abuse Council. Membership is based on the maintenance of a reasonable balance of representation of gender, ethnic communities, and geographic/supervisory district and from the following categories:

- a) Minimum of four (4) Community at Large.
- b) Four (4) Justice agencies.
- c) Five (5) Public agencies.
- d) Six (6) Private agencies.

Terms of office are four (4) years. A member who has served less than one full four (4) year term may automatically be recommended for a full term. Voting members of the Council may not serve for more than three (3) consecutive full terms as voting members. However, the voting members may continue after three (3) full consecutive terms until the vacancy is filled by the Board of Supervisors.

The name of the District was changed to the Guadalupe-Coyote Resource Conservation District on July 18, 1995.

Enabling Legislation:

Public Resources Code, § 9151 et seq.

The Evergreen Soil Conservation District was organized in 1944. The Black Mountain Soil Conservation District had previously been organized in 1943. The Evergreen District was renamed as a resource conservation district in 1972 and subsequently combined with the Black Mountain District in April, 1977. The name of the District was changed to the Guadalupe-Coyote Resource Conservation District on July 18, 1995.

The District provides for soil and water conservation; the control of run-off; the prevention and control of soil erosion; and erosion stabilization, including but not limited to these purposes in open areas, agricultural areas, urban developments, watershed management, the protection of water quality and reclamation, the development of storage and distribution, and the treatment of each acre of land according to its needs. The District has legal authority to cooperate with other government agencies, associations, persons, and corporations. With the consent of the owner, the District may construct on privately or publicly owned lands, necessary works for the prevention and control of soil erosion stabilization.

Section 9314 of the Public Resources Code provides that the Board of Directors of a Resource Conservation District, by a resolution presented to the Board of Supervisors, may request the Board of Supervisors to appoint directors. In any election year, the Board of Directors shall file its request with the Board of Supervisors not later than 125 days prior to the election. Public Resources Code (PRC) 9304. No director or other officer of the district shall be interested directly or indirectly in the sale of equipment, materials, or services to the district. On June 21, 2004, the Board of Directors passed Resolution 2-04 which requested that the Board of Supervisors make appointments to the Board of Directors in lieu of an election. It has not been rescinded.

PRC 9314 provides that the term of office of the directors, shall be four (4) years. The expiration of the term of any director does not constitute a vacancy, and the director shall hold office until his or her successor has qualified.

As an alternative to the election of Directors, the Board of Directors may, by a Resolution presented to the Board of Supervisors of the principal county, request the Board of Supervisors to make an appointment. In any election year, the Board of Directors shall file its request with the Board of Supervisors not later than 125 days prior to the election. A copy of the Resolution shall be furnished to the official responsible for conducting the election at the time it is presented to the Board of Supervisors of the principal county. The Board of Supervisors shall appoint Directors, after consultation with the Board of Supervisors of any

other county which contains any part of the district, from those candidates who have filed an application with the Board of Supervisors, as prescribed by the Board of Supervisors. If the Directors are to be appointed, a notice of election shall not be published, but a notice of vacancy shall be posted pursuant to Section 54974 of the Government Code. The resolution shall remain in effect until rescinded by the Board of Directors, or until a petition requesting the rescission is received by the election official. The appointment of Directors by the Board of Supervisors does not affect the status of a district as an independent special district. HIV PLANNING COUNCIL FOR PREVENTION AND CARE

The purpose of the Planning Council is to ensure the development of a client-centered, comprehensive continuum of care for persons at risk for or living with HIV disease (PLWH) throughout the Transitional Grant Area (TGA). HOUSING AND COMMUNITY DEVELOPMENT ADVISORY COMMITTEE

The role of the Committee is to be the policy recommending body to the Board of Supervisors on the planning, monitoring, and implementation of the HCD program and the development of a comprehensive, coordinated housing and community development program. Each Urban County or municipality receiving CDBG grant funds is required to develop a written Citizen Participation Plan which provides citizens of local communities and target neighborhoods with an adequate opportunity to participate in an advisory role in the planning, implementation, and monitoring of the HCD program.

Housing and Community Development Advisory Committee is the result of the merger of the Housing and Community Development (HCD) Citizens Advisory Committee and the HCD Council Committee for the Urban County Community Development Block Grant program. The program is funded by a grant from the U.S. Department of Housing and Urban Development under Title I of the Housing and Community Development Act of 1974. The County of Santa Clara has qualified for funding as an "Urban County" and has developed a program of operation and implementation in eight of the fifteen cities in the County. The Board of Supervisors established the HCD Council Committee in order to provide city involvement in operation of the HCD Program. The Council Committee is composed of the appointed representatives of the Urban County jurisdiction selected by the City Councils and the Board of Supervisors, and a City Council member from each of the cities participating in the Urban County CDBG and HOME programs. In order to ensure broad-based citizen involvement for the Santa Clara County Block Grant Program, the Board of Supervisors established an HCD Citizens' Advisory Committee on April 30, 1979.

The role and responsibilities of the HCDAC are: 1) Develop recommendations on the five-year Urban County consolidation Plan and the Annual plan which provided the framework for the funding projects. 2) Develop recommendations on projects to be funded addressing the objectives approved in the consolidation plan 3) Monitor the progress of approved projects on a quarterly basis and prepare recommendation on projects facing significant delays. 4) Evaluate the overall direction and implementation of the program on a yearly basis and prepare recommendation on housing policies and procedures. Performance reports, and overall program performance evaluation. 5) Transmit the HCDAC recommendation on projects proposals to the board of Supervisors in order to make final funding recommendations on the CDBG. 6) The Board of Supervisors is the legal recipient of funding from the U.S. Department of Housing and Urban Development (HUD) for the CDBG and the HOME programs. 7) The Board Supervisors will consider all recommendations submitted by the HCDAC regarding the HUD program. 8) The HCDAC will submit recommendations to the Board of Supervisors on all matters dealing with planning, funding, monitoring, and evaluation of the HCD program.

The Committee consists of twenty (20) members.

Members shall be selected as follows:

- a) One member of the County of Santa Clara Board of Supervisors, who will serve as Chairperson of the HCDAC, to be appointed by the Chairperson of the said Board
- b) One member of the City Council from each of the non-entitlement cities participating in the Urban County CDBG and HOME program (current cities: Campbell, Los Altos, Los Altos Hills, Los Gatos, Monte Sereno, Morgan Hill and Saratoga), appointed by the City Council of the city. If the member is not able to attend a meeting that member may designate another member of the City Council or a member of the Board of Supervisors to attend the meeting
- c) One citizen selected by the City Council of each of the participating non-entitlement cities representing that city

d) One citizen selected by each member of the Board of Supervisors from his or her representative districts. Alternates are encouraged and will be approved by the Jurisdiction, which selected the member.

HOUSING TASK FORCE

The Task Force was created as a short-term group to focus on identifying the County's most critical and feasible opportunities to address affordable housing and homelessness. Specific housing solutions will be presented to and vetted by the Task Force. The Task Force was encouraged to recommend both short-term solutions and those long-term solutions that need to be launched or piloted in the short term, with particular attention to potential solutions for homeless military veterans, children and foster youth.

The topics it will explore include:

A. General issues that affect potential affordable housing solutions

- **Land:** The most significant chokepoint in providing affordable housing is finding the land on which to build affordable housing. How best can we use publicly owned lands for affordable housing, including acquisition and entitlement? How best can we fund the acquisition of land and find its development? Will cities relax zoning requirements and bans on converting industrial land to accommodate supportive housing and other housing solutions?
- **Current public investment:** The County spends approximately \$35 million each year to rent housing that is not publicly owned to house its clients (mental health, foster youth, Re-entry, etc.). How can we leverage our investment to ensure the continued long-term affordability of this housing? How do we maximize the current public investment in housing government clients? Is there a better way to leverage this investment?
- **Micro-Housing:** Innovations in micro-housing offer potential solutions, especially for transitional housing. How best and how soon can micro housing be piloted as a housing solution? Where is land available and appropriate? What type of micro-housing should be implemented? What is the optimum size, location and client profile for such projects?
- **Shelters:** Our community's emergency shelter capacity is limited and uncertain. How can our shelter system be made sustainable? Can/should our shelter capacity be increased by adding shelters and/or increasing the time when shelters are open?
- **Inter-jurisdictional cooperation:** Each land use jurisdiction is obligated to plan for affordable housing, yet the needed affordable housing is not being produced. How can cities and the County cooperate with each other to produce more affordable housing? Is there a way for cities to meet their affordable housing obligations through paying for housing in sister cities, such as an in-lieu contribution, a RHNA Sub-region or voluntary "cap-and-trade" agreements?
- **Tax Credit Financing:** Development of most affordable housing projects in our community rely on a limited pool of tax credit financing. Can the Santa Clara County increase its current allocation of 9% tax credits from the current 125/year shared with San Mateo County? Can local jurisdictions cooperate to manage the application for such credits so projects within the County are not competing with each other?.

The Housing Task Force was established by unanimous action of the Board of Supervisors of Santa Clara County on February 24, 2015.

The Task Force shall meet monthly for 10 months and shall present a final report to the Board of Supervisors by January 31, 2016.

At the conclusion of the Housing Task Force's work, the Board of Supervisors shall disband the Task Force.

The Task Force shall consist of 9 voting members. The Task Force shall consist of the following government officials and community representatives:

1. Co-Chairperson: Matt Mahood, President and CEO of the San Jose Silicon Valley Chamber of Commerce
2. Co-Chairperson: Be~ Field, Executive Officer of the South Bay Labor Council
3. Supervisor Mike Wasserman
4. Supervisor Cindy Chavez
5. A representative from the City of San Jose chosen by the Mayor
6. A member of the Cities Association of Santa Clara County
7. A representative of the Santa Clara County Housing Authority
8. A representative of the Housing Trust Silicon Valley
9. A member of a State Legislative delegation

Additional members may be appointed by the Board of Supervisors. Each member is responsible for attending each meeting of the Task Force. Alternates shall not be permitted.

Appointments to seats 5 through 8 of the Task Force are made by the represented organization/entity. Appointments to seats 1 through 4 and seat 9 are made by the Board of Supervisors. If a vacancy occurs in 1 through 4 or 9, the vacancy shall be reported to the Chairs and the Clerk of the Board.

Each Task Force member shall serve for the duration of the 10-month term of the Task Force.

JUVENILE JUSTICE COORDINATING COUNCIL

Senate Bill 1760 (Section 749.22 of the Welfare and Institutions Code, Statutes of 1996) established the Juvenile Crime Enforcement and Accountability Challenge Grant Program. The Juvenile Crime Enforcement and Accountability Challenge Grant Program provides state grants to counties and cities who demonstrate a collaborative and integrated approach for the apprehension, treatment, rehabilitation, punishment and incarceration of juvenile offenders.

Assembly Bill 1913 enacted the Schiff-Cardenas Crime Prevention Act 2000 (CPA 2000). The purpose of this legislation is to allocate funds to all California counties for programs which demonstrate a collaborative and integrated approach to implementing swift, certain, and graduated responses for at-risk youth and juvenile offenders.

The Board of Supervisors adopted a Resolution creating the Juvenile Justice Coordinating Council (JJCC) on November 19, 1996.

The tasks of the Council include assessing current resources, identifying service areas where resources may not be adequate, and developing proposals to prevent and respond effectively to juvenile crime. The JJCC will oversee this planning process, which will result in a final Local Action Plan to be submitted to the Board of Corrections by March 14, 1997. The planning process will be closely integrated with efforts of the Crime Task Force and Joint Conference Committee on Children and Youth.

CPA 2000 requires that the JJCC consist of the membership required in section 749.22 of the Welfare and Institutions Code (chapter 325, statute of 1998) as follows:

- a) The Chief Probation Officer, as chair
- b) One representative from the District Attorney's Office
- c) One representative from the Public Defender's Office
- d) One representative from the Sheriff's Office
- e) One representative from the Board of Supervisors
- f) One representative from the Department of Social Services.
- g) One representative from the Department of Mental Health.
- h) One representative from a community-base drug and alcohol program.
- i) One representative from a city police department
- j) One representative from the County Office of Education or a school district
- k) One at-large community representative
- l) In order to carry out its duties pursuant to this section, a coordinating council shall also include representatives from nonprofit community-base organizations providing services to minors.

The appointments to the JJCC are permanent.

PUBLIC AUTHORITY FOR IN-HOME SUPPORTIVE SERVICES ADVISORY BOARD

The Public Authority for In-Home Supportive Services Advisory Board studies, reviews, evaluates, and makes recommendations to the Public Authority Governing Body and the Public Authority Executive Director relative to matters affecting persons receiving In-Home Supportive Services in the County, including but not limited to advocating on behalf of all County residents not receiving In-Home Supportive Services who require in-home attendant services to live independently in the community.

In 1992 California State Budget trailer bill SB485 was passed and allowed counties to create Public Authorities for IHSS. Complying with the statute requirements (the Welfare and Institutions Code 12300), the Santa Clara County Board of Supervisors adopted an enabling ordinance in December 1996 that requires the appointment of an advisory board of not more than 11 individuals and states that no fewer than 50 percent of the membership of the advisory board shall be individuals who are current or past users of personal assistance services paid for through public or private funds. Since the contract mode of service ended in June 30, 2003, the bylaw was revised to state that the position be filled by a consumer of IHSS services within the County. A parent or family member of IHSS consumer now fills the position previously held by a registry staff. The revised bylaw was adopted on March 1, 2005.

The Public Authority for In-Home Supportive Services Advisory Board consists of eleven (11) members appointed by the Public Authority Governing Body.

Members shall be selected as follows:

- a) Six (6) are to be consumers
- b) Two (2) members are seniors
- c) Four (4) members are to be disabled persons of whom one is a senior advocate and one is an advocate for the disabled. Both senior and disabled advocates should have served or be currently serving on senior or disability advisory committee, board, or commission within the County of Santa Clara. No less than four (4) of the consumers must be current or recent consumers of County In-Home Supportive Services.
- d) The remaining five (5) advisory board members must represent the following:
 - 1) One is a parent or family member of a consumer of IHSS
 - 2) One is a consumer
 - 3) One is a union representative independent provider
 - 4) One is a representative from the Board of Supervisors
 - 5) One is a public health representative who has knowledge of both geriatrics and disability.

Representative from the Social Services Agency's IHSS program will serve as a liaison between the Advisory Board and County IHSS and will be an "ex-officio" non-voting member of the Advisory Board.

The term for members shall be four (4) years. No member shall be eligible to serve on such committees for more than three (3) consecutive terms in addition to any portion of any unexpired term which may have been served. A member may, after a two-year absence from the advisory board, be reappointed after reaching the term limits.

YOUTH TASK FORCE

The Santa Clara County Youth Task Force is composed of young people, from the ages of 12 to 18, that strive to make a difference. The Task Forces serves as an advisory body to the Santa Clara County Board of Supervisors and the Human Relations Commission.

The Taskforce addresses the issues that teens face on a regular basis. They work to educate teens about the harms that affect their community and strive to find solutions and policies that will make improve the lives of young people today. In doing so, they promote youth activism and advocacy, establishing a firm belief in the importance of youth speaking to youth. They seek to inspire teens to embrace the culture and diversity around them, to work together and contribute in making positive change for youth.

In 2011, the Santa Clara County Youth Task Force was revitalized by the Board of Supervisors, to serve as an official advisory board to the Board of Supervisors and other policymakers and decision-makers in Santa Clara County to address issues that face young people in the County.

The "new" Youth Task Force created an official advisory committee with direct input to the Board of Supervisors. This action, in effect, eliminated the Human Relations Commission's advisory role in this capacity and brought forth the "new" body in its place as the advisory committee. The "new" Youth Task Force has been granted advisory authority previously granted to the Commission, and will assume the same powers and duties as designated in the Ordinance Code § A6-54(i). This assumption of the powers and duties in the Ordinance Code created a new legislative body.

The purposes which guide the direction of the YTF are:

- A. Work in an advisory capacity to the Board of Supervisors on matters pertaining to youth.
- B. Identify current and emerging issues that impact youth and propose actions that address these issues.
- C. Analyze policies and programs that impact children and youth in Santa Clara County.
- D. Provide informed advice to local policy-makers.
- E. Creating positive policy changes that make Santa Clara County a better place for youth to grow up.
- F. Serving as a voice for youth of Santa Clara County, but also striving to bring the voices of all community youth to the table through collecting data on youth issues and opinions.
- G. Bringing youth and adults from the county together and improving youth adult partnerships through training, support and technical assistance.
- H. Support community service activities throughout the county.

The YTF is composed of sixteen members. Each Board of Supervisor district will have two representatives and there will be six at large members.

Nominees shall be a resident of Santa Clara County who will be in grades 8 through 12 during the next Youth Task Force term following his/her appointment will be eligible for membership.

Appointments for the YTF shall be made in September of each year, with all members holding a one (1) year term. A YTF term will start in September and end in August. YTF members may be appointed for up to three (3) consecutive terms.
