# Memorandum

**Date:** JAN 14 2020

**From:** Acting General Counsel/Principal Deputy General Counsel (02)

**Subj:** Authorization of Use of Government Aircraft for Travel to Hawaii, Palau, and Republic of the Marshall Islands (January 15 - 21, 2020)

**To:** Deputy Chief of Staff (00A)

1. We are providing the requisite senior legal officer authorization of the Secretary's use of a Military aircraft (Government aircraft) for travel from Washington, D.C. to Hawaii, Palau and the Republic of the Marshall Islands (RMI) and return to Washington, D.C. from Wednesday, January 15, 2020 to Tuesday January 21, 2020. We have been provided the following information as to the purpose of this official trip and scheduling.

2. In furtherance of the President's foreign policy objectives, at the direction of the President and the Secretary of State Mike Pompeo (see Attachment A), the Secretary will lead an interagency U.S. Delegation to Palau and RMI to promote U.S. advocacy efforts and outreach to Veterans who have served in the U.S. Military. The Secretary's trip will be critical to advancing the President's National Security Strategy and Indo-Pacific Strategy with the countries and territories of the Pacific, where U.S. influence is increasingly contested. The Secretary will lead an interagency delegation including senior representation from the U.S. Department of State, the Department of the Interior and the National Security Council.

3. The Secretary will represent the the United States at the inauguration of the President of the Republic of the Marshall Islands, after visiting two other islands. The Pacific Islands play a key role in ensuring the Pacific remains free and open in support fo the Indo-Pacific Strategy. They control vast stretches of Pacific Ocean territory, including areas bordering the United States. Under increasing pressure from non-traditional donors seeking to expand influence and physical presence in the Indo—Pacific, a strong message from the United States is vital. Since 2012, we have consistently sent high level officials to the Pacific Islands as Head of our Delegation, including former Secretary of the Interior Ryan Zinke in 2018 and Secretary Wilkie in July of 2019.

4. To further the President's foreign policy objectives, Secretary Wilkie requested the use of Military aircraft be made available on a non-reimbursable basis (i.e. VA will not be reimbursing the Department of Defense for the use of the aircraft) in support of the interagency Delegation's attendance at the inauguration of the President of the Marshall Islands, and travel to Palau and return to Joint Base Andrews. This request is made in light of exceptional scheduling requirements and lack of commercial air links that make commercial transportation unacceptable for official travel destinations beyond

2.

Deputy Chief of Staff (00A)

Hawaii . The Secretary's scheduling requirements cannot be accommodated by commercial air options due to inadequate, and, in some cases, non-existent, commercial air links between the locations for flights between Honolulu, Palau and RMI.

5. Travel between Washington, D.C. and Hawaii will be on a space available basis. Based on a similar trip the Secretary made last July (Micronesia -Guam-Saipan-American Samoa), VA was arranging for the Delegation to fly commercial between DC and Hawaii when DOD offered transportation for this leg of the trip to VA. DOD advised that the plane being furnished for this trip would be "deadheaded" at Joint Base Andrews and thus be flying empty to Honolulu to transport the Delegation from there. Similarly, that plane would be returning empty from Honolulu to Washington, D.C. I thus conclude that use of a Government aircraft between Honolulu and Washington, D.C. is justified on a space available basis. 41 C.F.R. §301-10.261(c)(1); OMB Circular A-126, paragraph 8(b) .

6. The Secretary's detailed itinerary is set forth in Attachment B. For the purposes of this analysis, we provide the following abbreviated one:

Wednesday, January 15, 2020

*0700 Depart Joint Base Andrews en route to (ERT) Joint Base Pearl Harbor Hickham  
1400 Arrive Joint Base Pearl Harbor Hickham*

Tuesday, January 21, 2020 is a travel day for the Delegation. Mission Complete.

4.

Deputy Chief of Staff (00A)

7. Based on the information we have been provided, I conclude that the use of a Government aircraft between Hawaii, Palau and RMI would be justified on the basis of exceptional scheduling requirements. No scheduled commercial airline service is reasonably available (*i.e.*, able to meet the Secretary's departure and/or arrival requirements within a 24-hour period) to fulfill his travel requirements as set forth above. 41 C.F.R. § 10.261(a)(1), (b); OMB Circular A-126, paragraph 8a. Given the limitations of commercial air transportation, the Secretary's itinerary for travel from Honolulu to Palau to RMI and would need to be revised as follows.

January 17 at 2115 instead of in the morning of Friday, January 17, 2020 arrive in Koror, Palau

Delegation would need to postpone all events scheduled for January 17 – attending a discussion on the Tech Camp for Veterans and lunch with President Remengesau, meeting with the Minister of Health, touring Camp Katuu, and attending dinner hosted by Ambassador Chow

Commercial air between Honolulu and Koror are routed through Guam with only one flight per day as follows:

HNL-Gum-ROR

United Airlines 0201 HNL-GUM 1530-1920, 7 hr 50 min (Lands Thursday, Jan 17)

Layover at GUM: 50 min

United Airlines 0193 GUM-ROR 2010-2115, 2 hr 5 min

Total travel time: 10 hr 45 min

RON in Koror

Saturday, January 18, 2020 conduct activities originally scheduled for Friday, January 17, 2020

RON in Koror instead of departing for Kwajalein Atoll, RMI, until Tuesday, January 21, 2020

Sunday, January 19 – Tuesday, January 21, remain in Koror awaiting first flight out on US carrier

Tuesday, January 21 - Friday, January 24, instead of Sunday, January 19 travel from Koror to Kwajalein Atoll RMI

- No flights from ROR – KWA (Kwajalien) on Jan 19
- No US Carriers on Jan 19 and 20 from ROR – GUM

5.

Deputy Chief of Staff (00A)

Delegation would need to postpone all activities scheduled for January 19 - attend a Reef Sweep/Battlefield Tour, attend lunch. Further, the Delegation would not arrive until 1742 on January 24 per the flights below. Activities would thus need to be postponed until January 25, at which point the Delegation would have missed the Presidential Innauguration in Majuro RMI

Transition: Tuesday, January 21, 2020

ROR-GUM (Layover in Manila)

United Airlines 193, ROR-MNL 9:55pm – 11:50pm, 2 hr 55 min

Layover at MNL: 23 hr 5 min

Jan 22<sup>nd</sup> - United Airlines 184, MNL – GUM 10:55pm – 4:50am (lands Jan 23),  
2 hr 55 min

Layover at GUM

Jan 24 – United 155, GUM – KWA (Kwajalian) 8:20am – 5:42pm 5 hr 30 min

Saturday, January 25, conduct activities on Kwajalein Atoll scheduled for Sunday, January 19, 2020

Saturday, January 25 – Monday, January 27 remain in Kwajalien, awaiting next flight to Majuro

Jan 27 - United Airlines 155 KWA-MAJ 1745-1845, 1 hr 0 min.

Monday, January 27 instead of January 19 arrive in Majuro

Tuesday, January 28 instead of January 20 conduct activities scheduled for Majuro (except attend Presidential Inauguration)

Because Delegation would not arrive until 1845, January 27, activities originally scheduled for January 20, except the Inauguration which they would have missed, including participating in a courtesy call with new President and Speaker of Nitijela/ Parliament, would occur on January 28.

RON Majuro

Wednesday, January 29, travel from Majuro to Honolulu arriving on January 29 (due to international dateline) instead of January 20.

Hence use of commercial adds nine days to trip and results in all planned activities being cancelled or rescheduled.

Transition: Wednesday, Jan 29, 2020

MAJ – HNL

United 155, MAJ – HNL 8:05pm – 2:50am (arrive same day)

6.

Deputy Chief of Staff (00A)

8. The following information must be included on the travel authorization for a "Senior Federal Official" (those paid according to the Executive Schedule, including political appointees subject to Senate confirmation, and those in the Senior Executive Service or equivalent senior service):

- The travelers name;
- The traveler's organization and title or other appropriate descriptive information (e.g. dependent, press);
- Name of the authorizing agency;
- The official purpose of the trip;
- The destinations;
- For personal or political travel, the amount that the traveler must reimburse the Government, and
- For official travel, the comparable GSA city pair fare (if available to the traveler) or full coach fare (if a city pair fare is not available).

41 C.F.R. § 301-10.70.805

9. Please note that agencies that use Government or chartered aircraft must report each use of such aircraft for non-mission travel by senior Federal officials and nonfederal travelers to GSA semi-annually. OMB Circular A-126, 10.c. Because mission requirements for purposes of the reporting requirement do not include official travel to give speeches, to attend conferences or meetings, or to make routine site visits, this trip would be reportable. Id. at 5.b.

10. Finally, we note our understanding that the White House Chief of Staff's office has approved this use of Military aircraft, or will do so prior to the commencement of the travel documented herein. See OMB Memorandum for the Heads of Executive Departments and Agencies, Travel on Government-Owned, Rented, Leased or Chartered Aircraft. September 29, 2017.

THE SECRETARY OF STATE  
WASHINGTON  
December 28, 2019

The Honorable  
Robert Wilkie  
Secretary of Veterans Affairs  
Washington, DC

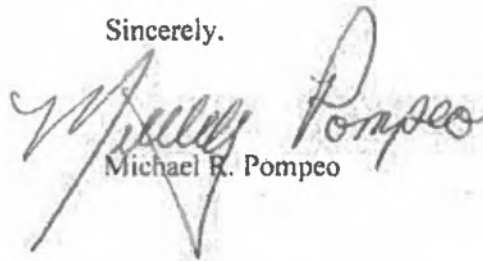

Dear Mr. Secretary:

I strongly encourage you to attend the January 2020 inauguration of the new president of the Republic of the Marshall Islands.

Your participation will reinforce the U.S. commitment to the Pacific following the historic visit of the Presidents of the three Freely Associated States to the White House in May 2019 and your July 2019 attendance at the inauguration of Micronesia President David Panuelo. Your visit will send a strong message about the important contribution citizens of the Marshall Islands make to our mutual security through their service in the U.S. Armed Forces.

The Freely Associated States, with their unique relationships with the United States, play a key role in ensuring the Pacific remains free and open in support of the Indo-Pacific Strategy. Given increasing pressure from potential adversaries seeking to expand their influence and physical presence in the Pacific, your attendance will send a strong and vital message on behalf of the United States that builds on President Trump's efforts to secure American interests in the region for the future.

Sincerely,

Michael R. Pompeo

Hi (b)(6)

Thank you for the thorough explanation.

For awareness, there will be 5 VA members of the delegation to include

I am adding (b)(6) Special Assistant to the Secretary, whom is responsible for booking, tracking, and submitting hotel information to our foreign travel office. She will need to be updated on hotel address and names of the travelers with rooms.

What is the best number to reach you on to speak later today just to touch base?

Thank you!

Katie –

For your information, so you can manage this portion of the logistics:

The rooms are all reserved and allocated. This was done early last week. You probably will not get a hotel-like breakdown, but the USAG-KA command team will ensure this is clear to the advance team. We will have the Secretary in the “General’s” suite, which has a conference room, should that be necessary. We will also have 3-4 rooms in that same building, for the exec security, CoS, etc. The remainder of the security detail will be in a building which is about a 3-4 minute walk.

The rest of the delegation (DASs, etc.) will be in “dome homes”, which are stand-alone 3 bedroom houses, which belong to RTS, not USAG-KA. These are 10 minutes by golf cart from the Secretary.

Finally, the “potluck” scheduled that evening will have military, vets, and mission folks from MIT. It will be a very

nice gathering, and will demonstrate a good cross-section of the base personnel to the delegation. I am sorry that I will miss it!

If there are further points that need clarification, let me know.

Sorry to inundate you with e-mails, but I am just trying to get as much of this sorted out as I can.

1. I still have not received proper confirmation, but it looks like me and my two counterparts will arrive there on the morning of the 9<sup>th</sup>. Lets plan for that now, and if something changes, ill let you know. We should also be departing on January 15<sup>th</sup>.
2. In an earlier e-mail you mentioned the possibility of us borrowing some cell phones from the embassy. Is that still an option? Would it be possible to get one for each of the three of us? I understand that it will only have voice capability.
3. Do they use US currency there in Majuro? Are credit cards generally accepted?
