www.bart.gov/ocr

Dear Business Owner,

Thank you for your interest in the Small Business Entity (SBE) certification program of the San Francisco Bay Area Rapid Transit District (BART). As mandated by the US Department of Transportation, each recipient of funding from the United States Department of Transportation (USDOT) is required to incorporate a small business element into its Disadvantaged Business Enterprise (DBE) Program. The Disadvantaged Business Enterprise Program Small Business Elements (SB Elements) is BART's program created in response to this mandate.

BART is responsible for certification of firms and compiling and maintaining the database of certified firms for the SB Elements. The database is intended to expand the use of SBEs by maintaining complete information on businesses, products and services SBEs can provide to BART and BART's prime contractors seeking qualified subcontractors.

In order to be certified as an SBE your firm must meet each of the following general guidelines:

- a) The firm must be at least 51% owned and controlled by one or more individuals whose personal net worth (PNW) does not exceed \$1.32 million, excluding the individual's ownership interest in the applicant firm and the equity in his/her primary residence.
- b) The firm must be an independent business, and one or more of the owners must control its management and daily operations.
- c) Only an existing, for-profit firm is eligible to be certified as an SBE. SBE applicants are first subject to the applicable small business size standards of the Small Business Administration (SBA). Additionally, the average annual gross receipts for the firm (and its affiliates) must not exceed the USDOT cap of \$23.98 million.
- d) The Applicant must be a U.S. Citizen or a lawfully admitted permanent resident alien.

In addition, applicants may be subject to an on-site visit. You will be notified if an on-site visit is necessary.

For firms applying for certification as a Micro Small Business Entity (MSBE), all the above requirements apply. In addition, the firm's average annual gross receipts over the three prior years must not exceed \$10 million in the case of construction firms or \$6 million in the case of professional services and procurement firms or the applicable SBA size standard, whichever is less. All SBE applicants will be evaluated to determine if they meet the eligibility criteria for certification as an MSBE. No additional application is required.

For out of state firms: Firms not domiciled in the state of California <u>are</u> eligible for certification as an SBE. You will be notified if a site visit or additional documentation is required once your application has been processed.

Any incomplete application will not be processed until all required documentation has been received by BART's Office of Civil Rights.

Should you have any questions or require assistance with filing your application for SBE certification please contact:

San Francisco Bay Area Rapid Transit District Office of Civil Rights 300 Lakeside Drive, 16th Floor Oakland, CA 94604-2688
