

Children's Center *of the* Stanford Community

The CCSC UnAuction at PlayFest

The UnAuction provides an important (and fun!) opportunity to raise funds to support the incredible work that goes on in CCSC's classrooms. We hope you'll stop by the UnAuction at PlayFest and purchase some amazing items to support the Center. Check out the following pages to learn more about the exceptional offerings. Thank you to everyone who contributed!

How will the UnAuction work?

The UnAuction is designed to be a fun way to quickly support CCSC—no bidding required—so you can get back to the play! The UnAuction begins at 10:30 a.m. Anyone who wants to participate should come to the UnAuction table and complete a bidder registration card. Once registered, you will be assigned an UnBidder number, which you can use to make purchases/offers for items. Any adult PlayFest attendee can register to participate so encourage your friends and family to join the fun!

There are three ways you can participate: 1) Sign up for items at a fixed price 2) Make your best offer for select items 3) Purchase a Mystery Package (see details on the following pages.) All UnAuction items will be settled in the days following the UnAuction. You will be able to pay for your items via check, PayPal, credit card, or add them to your CCSC account. Delivery/pick up of the items will also be arranged after the event.

Thank you for your support!

Sign Up UnAuction Items: Buy at a Fixed Price

CCSC teachers and parents have donated an extraordinary selection of experiences for children and families and other unique items. You can sign up to purchase these items at the price noted on the sign up sheets on the UnAuction tables. Plan to show up early to buy because space is limited for many items!

Best Offer Items

These unique items will go to the UnBidder who submits the best offer. At the UnAuction, next to each of these items, you will find offer forms. Fill out a form with your UnBidder number and your best offer for the item and drop it into the item's envelope. The UnBidder with the best offer at the time the event closes will win the item! If there are multiple best offers at the same price, we will draw the winner from those entries.
