

LIBRARIES of Stanford University

UNIVERSITY LIBRARIES

- 1 Archive of Recorded Sound—650/723-9312
Braun Music Center
- 2 Art and Architecture Library (Bowes)—650/723-3408
McMurtry Art & Art History Building, Second Floor
- 3 Biology Library (Falconer)—650/723-1528
Herrin Hall, Third Floor
- 4 Chemistry and Chemical Engineering Library (Swain)—650/723-9237
Organic Chemistry Building
- 5 Classics Library (Lionel Pearson)**—650/723-0479
Building 110, Second Floor
- 6 Earth Sciences Library (Branner)—650/723-2746
Mitchell Earth Sciences Building, Second Floor
- 7 East Asia Library—650/725-3435
Lathrop Library, Second Floor
- 8 Education Library (Cubberley)—650/723-2121
Education Building, Second Floor - Room 202
- 9 Engineering Library (Terman) and Physics Collection—650/723-0001
Jen-Hsun Huang Engineering Center, Room 201
- 10 Government Documents (Jonsson Library) Reference—650/725-1064
Green Library, Bing Wing
- 11 Green Library (Humanities & Social Sciences)—650/723-9108
Circulation & Privileges Desk—650/723-1493
- 12 Hoover Institution on War, Revolution and Peace
A. Hoover Institution Library*—650/723-2058
B. Hoover Institution Archives*—650/723-3563
- 13 Lathrop Library
518 Memorial Way
- 14 Law Library (Crown)*—650/723-2477
School of Law
- 15 Map Collections (Branner Library)—650/725-1103
Mitchell Earth Sciences Building, Second Floor Mezz.
- 16 Marine Biology Library (Miller)***—831/655-6229
Hopkins Marine Station
Pacific Grove, California
- 17 Mathematics and Statistics Library—650/723-1528
Herrin Hall, Third Floor
- 18 Medical Library (Lane)*—650/723-6831
Medical Center, Lane Building
- 19 Music Library—650/723-1211
Braun Music Center
- 20 Philosophy Library (Tanner)**—650/723-1539
Building 90
- 21 Special Collections & University Archives—650/725-1022
Green Library, Bing Wing, Second Floor
- 22 Stanford Auxiliary Library (SAL1&2)—650/723-9201
691 Pampas Lane
- 23 Stanford Graduate School of Business Library*—650/725-2055
Knight Management Center, Bass Center Building
- 24 SLAC National Accelerator Laboratory Research Library*—650/926-2411
2575 Sand Hill Road; Building 50, Room 126
Menlo Park, California

Key: * Coordinate Library

University Libraries*

Archive of Recorded Sound (1)

<http://library.stanford.edu/ars>
Archives over 400,000 recordings in all formats, including Western art music, popular music and jazz, and spoken word recordings.

Art and Architecture Library (2)

<http://library.stanford.edu/art>
Extensive printed/visual materials and special collections, focusing on history/practice of art, architecture, and design. Reference/instructional services.

Biology Library (Falconer) (3)

<http://library.stanford.edu/falconer>
Collection covers broad range of the life sciences. Areas of emphasis are biochemistry, biophysics, genetics, ecology, population biology, and more.

Chemistry and Chemical Engineering Library (Swain) (4)

<http://library.stanford.edu/swain>
Provides resources/services in support of chemistry and chemical engineering research and instruction. Some online databases are Stanford-restricted.

Classics Library (Lionel Pearson) (5)

<http://library.stanford.edu/libraries/classics-library/about>
Holdings include texts related to Greek and Roman antiquity as well as titles from the Loeb Classical Library and Oxford Classical Texts series.

Earth Sciences Library (Branner) (6)

<http://library.stanford.edu/branner>
Collection contains printed materials, online references and images. GIS workstations and programs available for faculty, students and staff.

East Asia Library (7)

<http://library.stanford.edu/eal>
Comprehensive collection of monographs, serials, government documents and periodicals in Chinese, Japanese, and Korean languages.

Education Library (Cubberley) (8)

<http://library.stanford.edu/cubberley>

Wide range of education books, journals, and online materials, plus historic and current textbooks, historic reports and college catalogs.

Engineering Library (Terman) and Physics Collection (9)

<http://library.stanford.edu/englib>
Provides resources/services to support the research and teaching of the School of Engineering departments, institutes, and labs and the Departments of Physics and Applied Physics. Fine payments accepted.

Government Documents (Jonsson Library) (10)

<http://library.stanford.edu/libraries/green/jonsson-social-sciences-reading-room>
Publications and information on most subjects, with emphases on demography and population, education, international relations, and more.

Green Library (Cecil H. Green) (11)

<http://library.stanford.edu/green>
Collections include humanities, social sciences, and Special Collections. The Information Center, Privileges, Media Microtext, hText (formerly HDIS), SSDS and Interlibrary Services are located in Green. Fine payments accepted at the Circulation Desk.

Hoover Institution Library (Hoover Tower) and Archives (Herbert Hoover Memorial Bldg.) (12)

<http://www.hoover.org/library-archives>
Collections focus on international political, social, and economic events in the 20th and 21st centuries.

Lathrop Library (13)

Houses the East Asia Library, the Tech Lounge, Student Computing, create:space, Residential Computing, Lathrop Media Studio, and computer clusters.

Law Library (Crown) (14)

<http://www.law.stanford.edu/library>
The law library supports the research mission of the law school. Members of the Stanford University community are welcome to use the library.

Map Collections (Branner Library) (15)

<http://library.stanford.edu/branner/map-collections-guides>
Collection includes a wide range of social science and humanities topics; emphases on geological, seismological, hydrological, natural hazards, etc.

Marine Biology Library (Miller at Hopkins Marine Station) (16 - Not on Map)

<http://library.stanford.edu/hopkins>
Broad coverage of marine biology with special emphases on development, neurobiology, ecology, and physiology of marine organisms.

Mathematics and Statistics Library (17)

<http://library.stanford.edu/mathstat>
Broad coverage supporting the mathematical and statistical needs of the sciences and engineering. Emphasis on graduate- and professional-level materials.

Medical Library (Lane) (18)

<http://lane.stanford.edu>
Extensive online literature, specialty portals, and print resources for medicine, biomedicine, nursing, public and allied health, and related fields. Open to the public.

Music Library (19)

<http://library.stanford.edu/music>
Find print and digital resources for the study of music of all types, from all time periods, with an emphasis on Western art music. Staff can assist in the research process.

Philosophy Library (Tanner) (20)

<http://library.stanford.edu/libraries/philosophy/about>
A collection that supports teaching and research in the Philosophy Department by duplicating a selection of Green Library's philosophy holdings.

Special Collections (21)

<http://library.stanford.edu/spc>
Historical research in all formats, including printed books, manuscripts, maps, photographs, and prints.

Stanford Auxiliary Library (SAL1&2) (22)

<http://library.stanford.edu/libraries/sal/about>
Houses overflow materials and low use items for the Stanford Libraries.

Stanford Graduate School of Business Library (23)

<http://www.gsb.stanford.edu/library>
Supports the curriculum and research of the GSB. Collection covers all areas of business. Open to the Stanford community for business research needs.

SLAC National Accelerator Laboratory Library (24)

<http://www-group.slac.stanford.edu/library>
Provides information needs for laboratory research programs in photon science, high-energy and particle physics, and astrophysics.
