

Instructions for Using Lockers at Rinconada Pool

To Lock a Locker

1. Press “Start” on the bottom of left of the keypad. The LED on the lock will flash green and make an audible tone.
2. Enter a 4 digit code you choose.
3. Press the lock icon on the bottom right corner of the keypad. The LED will flash green and make an audible tone.
4. The locker is now locked. The LED will flash red to indicate that the locker is in use.

To Unlock a Locker

1. Find the locker you put your belongings in.
2. Press “Start” on the bottom of left of the keypad. The LED on the lock will flash green and make an audible tone.
3. Enter the 4 digit code you entered the first time.
4. Press the lock icon on the bottom right corner of the keypad. The LED will flash green and make an audible tone.
5. The locker should now unlock. Leave the locker unlocked when finished using the locker.
