

NCI Adult & Pediatric Central IRB Authorization Agreement

Institution Name: **Leland Stanford Junior University**

OHRP Federalwide Assurance Number: **FWA 00000935** IRB Registration #: **6 IRB 00004947**

Other Institutions that may rely on this Institution's IRB reviews of CIRB protocols (list all below):

List Other Institutions Here (i.e. affiliated sites or Institutions that use the above IRB(s))

Lucile Salter Packard Children's Hospital at Stanford, FWA 00000933

Stanford Hospital and Clinics, FWA 00000934

And

The National Cancer Institute Adult & Pediatric Central Institutional Review Boards (CIRB/PedCIRB)

Institution Organization Number IORG0000460 Adult CIRB IRB Registration Number IRB00000781
 Pediatric CIRB IRB Registration Number IRB00004296

The Officials signing below agree that Leland Stanford Junior University may rely on CIRB/PedCIRB reviews, approvals and continuing oversight, as provided under the accompanying document, "Division of Responsibilities between NCI's Central IRB (CIRB) and Local Institutions."

The reviews, approvals, and continuing oversight performed by the NCI CIRB/PedCIRB satisfy the requirements of the DHHS regulations for the protection of human subjects at 45 CFR 46, as well as the requirements of the Leland Stanford Junior University IRB and Leland Stanford Junior University's OHRP-approved Assurance.

As described in the accompanying document ("Division..."), relevant minutes of CIRB/PedCIRB meetings shall be made readily available to Leland Stanford Junior University and Leland Stanford Junior University IRB, and Leland Stanford Junior University and Leland Stanford Junior University IRB remain responsible for ensuring compliance with the CIRB/PedCIRB's determinations and with the terms of its OHRP-approved Assurance.

This document should be kept on file at both institutions and must be provided to OHRP upon request.
