

Stanford University Administrative Panel on Biosafety Annual Update of Previously Approved Research Application Involving BIOHAZARDOUS AGENTS OR RECOMBINANT DNA

Princ	pal InvestigatorDate
Title	Phone
Depa	mente-mail
Mail	odeFax
Title	f Research Project
Bios	ety Identification NumberBiosafety Level
Dura	on of Approval
Bioh	zardous Agents
	binant DNA
Pleas	check appropriate boxes:
	no changes
	add/delete rDNA molecules
	add/delete biological agents
	add/delete procedure using biohazardous agent
	add/delete Principal Investigator/Laboratory Personnel
	add/delete laboratory rooms
	add/delete use of human blood or human clinical specimens
	add/delete use of human subjects with rDNA and/or biohazardous agents
	add/delete use of animals with rDNA and/or biohazardous agents
	project is complete
