## **Campus Map with Lane History Corner:**

<http://campus-map.stanford.edu/index.cfm?ID=01-200>

Lane History Corner is at 450 Serra Mall, where it meets Palm Drive. It is part of the old, main quad and faces out onto the Palm Drive oval and the big lawn.

## **Parking**

Parking can be tricky and time-consuming to find, especially because of ongoing construction. At mid-day, I'd allow 20 minutes to hunt for a meter. Really. Also, please note that meters at the oval are coin operated.

You can download a campus map with parking lots marked here:

<http://transportation.stanford.edu/pdf/parking-map.pdf>

Please check parking signs carefully and note that parking is monitored Monday - Friday, 8am. - 4pm. After 4 PM weekdays and all day on weekends there is often free parking on Palm Drive.

## **Driving Directions to Stanford:**

### **From Highway 101 North & South**

Take the Embarcadero Road exit west toward Stanford. At El Camino Real, Embarcadero becomes Galvez Street as it enters the campus.

### **From Highway 280 North & South**

Exit onto Sand Hill Road and follow the signs for Stanford University.

### **From El Camino Real**

Exit El Camino Real at University Avenue. Turn toward the hills (away from the center of Palo Alto). As you enter Stanford, University Avenue becomes Palm Drive. Follow Palm Drive until it ends. Lane History Corner, Building 200, is located to the far left.
