Request for Information on Identified Financial Conflicts of Interest (FCOIs) in PHS-funded Research

In compliance with the Public Health Service (PHS) regulation on Responsibility of Applicants for Promoting Objectivity in Research for which PHS Funding is Sought (42 C.F.R. Part 50, Subpart F), members of the public may request information about Financial Conflicts of Interest (FCOIs) associated with principal investigators and senior/key personnel on Public Health Service-supported projects at Stanford University.

All requests must be submitted by completing this form. Completed forms must be submitted via e-mail to fcoi-inquiry@stanford.edu. Each request should list either one investigator's name, or one PHS award number. If an investigator's name is listed, information about all PHS-reported FCOI information for that investigator will be provided. If a PHS award number is listed, information about all PHS-reported FCOIs associated with that award will be provided. Multiple requests made on one form and forms in which the required fields are incomplete will not be answered. Requests meeting these criteria will receive a response within five business days of receipt of the request at this designated email address:

fcoi-inquiry@stanford.edu

If there is no FCOI associated with the investigator or award listed on the request form, we will provide this information in our reply. Information provided in the response is current as of the date of correspondence.
