

# Community Blood Donation

*Parental/Guardian consent for 16 year olds»*

By California law, all 16-year-olds must have a parent's or legal guardian's permission to give a community blood donation.

Please note; if consent is not properly completed and signed with indelible blue or black ink only, minor will not be allowed to donate. The current version of the form is 6.0, no other versions will be accepted.

## Section 1: to be completed by parent or legal guardian

By signing this form, I acknowledge that I have had the opportunity to review the blood donation process outlined in the SBC informational handout or by accessing SBC's website and that in the event of an unexpected screening test result, only the donor will be notified.
