Facility for Broadcast Interviews - IPCC Working Group III authors

BERLIN, 10 April – Following the press conference on Sunday 13 April 2014 in Berlin to present the Working Group III contribution to the Fifth Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), IPCC officials and Working Group III authors will be available for broadcast interview.

Broadcasters not attending the meeting can use the services of Liveshot Productions (<http://www.liveshot.de/>) for both pre-recorded and live broadcasts.

Liveshot Productions will be operational at Estrel Convention Center where the IPCC meeting is taking place. They will offer the following:

- Standup position HD/SD
- Playout facilities HD/SD
- Camera crew in HD/SD quality, upon request
- SNG path hiring upon request
- Studio facilities with live backdrop Brandenburg gate are available 24/7

For more information and booking please contact planning:

phone: +49 30 300 145 609

mail: book@liveshot.de

While Liveshot Productions will organize the technical end of the process, requests for interviews with report authors should be made directly to the IPCC using [this form](#).

A list of IPCC experts available for interview can be found [here](#). This list also indicates the country of the author, languages in which they can be interviewed, and the chapter of the report on which they have worked, indicating their field of specialization.

To accommodate the needs of broadcasters globally this facility will be available until late in the European day.

Please note that only interviews arranged via this process will be considered as confirmed. Any arrangements made directly with IPCC experts may be subject to cancelation.
