

July, 2016

VITA

John W. Finney, Ph.D.
Center for Health Care Evaluation
VA Palo Alto Health Care System (152MPD)
795 Willow Road
Menlo Park, CA 94025
John.finney@va.gov

Education

| | | |
|-----------|-------|--|
| 1968 | B.A. | University of Oklahoma, Norman, Oklahoma Major: Psychology |
| 1971 | M.A. | University of Colorado, Boulder, Colorado Major: Social Psychology/Personality |
| 1974 | Ph.D. | University of Colorado, Boulder, Colorado Major: Social Psychology/Personality Minor: Developmental Psychology |
| 1975/1976 | | Northwestern University, Evanston, Illinois Summer Program on Evaluation Research |

Professional Experience

| | | |
|-----------|--|---|
| 1974-1976 | | Assistant Professor of Psychology, New Mexico Highlands University, Las Vegas, New Mexico. |
| 1976-2012 | | Research Psychologist/Health Science Specialist, Psychiatry Service, VA Palo Alto Health Care System, Palo Alto, California. |
| 1982-1992 | | Research Associate/Senior Research Associate, Social Ecology Laboratory, Department of Psychiatry and Behavioral Sciences, Stanford University, Stanford, California. |
| 1990-1999 | | Associate Director, Program Evaluation and Resource Center, VA Palo Alto Health Care System, Palo Alto, California. |
| 1994-2000 | | Consulting Associate Professor, Department of Psychiatry and Behavioral Sciences, Stanford University, Stanford, California. |

- 1998-2001 Project Director, Quality Enhancement Research Initiative (QUERI) Substance Use Disorders Module, VA Palo Alto Health Care System, Palo Alto, California.
- 1999-2001 Director, Program Evaluation and Resource Center, VA Palo Alto Health Care System, Palo Alto, California.
- 2000-2005 Director, Methodology and Evaluation Core, Sierra-Pacific Mental Illness Research, Education, and Clinical Center (MIRECC), VA Palo Alto Health Care System, Palo Alto, California.
- 2001-2006 Research Coordinator, QUERI Substance Use Disorders Module, VA Palo Alto Health Care System, Palo Alto, California
- 2001-Present Consulting Professor, Department of Psychiatry and Behavioral Sciences, Stanford University, Stanford, California.
- 2002-2009 Director/Principal Investigator, HSR&D Center for Health Care Evaluation, VA Palo Alto Health Care System, Palo Alto, California.
- 2012-Present Research Health Science Specialist (without compensation), Center for Health Care Evaluation, VA Palo Alto Health Care System, Menlo Park, CA.

Editorial, Research Review, and Consulting Activities

Editorial Activities

- 1980-Present Ad hoc reviewer for the Addiction, Drug and Alcohol Dependence, Drug and Alcohol Review, Journal of Consulting and Clinical Psychology, Journal of Abnormal Psychology, Journal of Studies on Alcohol, Social Psychology Quarterly, Journal of Marriage and the Family, Journal of Nervous and Mental Disease, Alcoholism: Clinical and Experimental Research, American Statistician, Alcohol Research & Health, and Journal of Health and Social Behavior.
- 1986 Member, Editorial Advisory Board, Evaluation Studies Review Annual (Vol. 12).
- 1987-1997 Member, Editorial Board, Journal of Substance Abuse.
- 1995 Co-Editor of a special issue of the Journal of Substance Abuse.
- 2003-2004 Consulting Editor, Journal of Consulting and Clinical Psychology.
- 1999-Present Assistant Editor, Addiction.

- 2001-2015 Member, Editorial Board, Journal of Studies on Alcohol [and Drugs].
- 2011 Co-Editor of a special section on Implementing Evidence-based Substance Use Disorder Interventions, Journal of Addictive Behaviors.
- Research Review
- 1982 Ad hoc reviewer for the Merit Review Board in Mental Health and Behavioral Sciences, Veterans Administration, Washington, D.C.
- 1983/1984 Member, Special Review Committees, National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 1985-1987 Member, Initial Review Group (Psychosocial), National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 1985-1992 Member, Research Review Committee, Far West HSR&D Field Program, VAMC, Palo Alto, CA.
- 1989 Chair, Special Review Committee, Patient-Treatment Matching Multi-Site Trial (Project MATCH), National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 1997 Member, Special Review Committee, Multi-Site Trial of Pharmacotherapy and Psychotherapy (Project COMBINE), National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 1998 Member, Special Review Committee, Adolescent Treatment Research, National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 1998 Member, Special Review Committee, Health Services Research, National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- 2000-2007 Reviewer, Robert Wood Johnson Foundation Substance Abuse Policy Research Program, Wake Forest University School of Medicine, Winston-Salem, North Carolina.
- 2002 Ad hoc Reviewer, NIDA Clinical Trials Network Protocol Review Committee, Bethesda, Maryland.
- 2006 Ad hoc Reviewer, NIAAA K02 Application.

2009 Ad hoc Reviewer, NIAAA Clinical, Treatment, and Health Services Research Review Subcommittee.

2009 First-tier Reviewer, NIH Challenge Grant applications.

Consulting

1980-1984 Consultant, Office of Alcoholism and Drug Abuse, Department of Health and Social Services, Juneau, Alaska. Member of a three-person team that determined research needs, developed Requests for Proposals, and evaluated submitted proposals for three projects: (1) a management information system, (2) the development of outcome criteria that would reflect the impact of state-funded prevention, early intervention, and treatment/rehabilitation programs; and (3) a prospective evaluation of inpatient and outpatient treatment at three urban sites. Ongoing consultation was provided on the follow-up study.

1986 Consulting Program Evaluator, Task Force on Administrative Flexibility, VACO, Washington, D.C. Provided suggestions for evaluating an innovative, administrative pilot program.

1985-1989 Consultant, Stanford Alcohol and Drug Treatment Center, Stanford University, Stanford, CA. Consulted on the development of an assessment battery for alcoholic patients, and on the formulation of a treatment outcome study.

1986-1992 Consultant, Dr. Richard Blake, Department of Special Education and Counseling, University of Nebraska-Omaha. Provided consultation on a project to develop a screening instrument for detecting alcohol abuse among older persons.

1988-1992 Member, Advisory Committee, NIAAA Alcohol Research Center, University of Michigan, Ann Arbor, MI.

1990-1992 Member, Advisory Panel, Sample Surveys of National Drug and Alcohol Treatment Units and Clients, National Institute on Alcohol Abuse and Alcoholism and National Institute on Drug Abuse, Rockville, Maryland.

1990-1997 Member, Data Monitoring Board, Project MATCH, National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.

1993-2004 Member, Advisory Committee, Alcohol Research Group, NIAAA Research Center, San Francisco/Berkeley, California.

| | |
|--------------|---|
| 1994-2003 | Member, Scientific Advisory Committee, Addiction Treatment Research Center, VA Medical Center and University of Pennsylvania, Philadelphia, Pennsylvania. |
| 2001-2003 | Member, Board of Directors, National Mental Health Improvement Program, Mental Health Strategic Healthcare Group, Department of Veterans Affairs, Washington, D.C. |
| 2003 | Consultant, Center for Substance Abuse Treatment and the Office of National Drug Control Policy. Provided consultation on a system to monitor the impact of treatment for substance use disorders nationwide. |
| 2003-2012 | Member, Advisory Committee, HS&RD Research Enhancement Award Program, San Francisco Veteran Affairs Medical Center. |
| 2004 | Member, Substance Abuse Committee, Mental Health Strategic Plan Workgroup, Mental Health Strategic Healthcare Group, Department of Veterans Affairs, Washington, D.C. |
| 2004 -2006 | Member, Special Populations Field Based Scientific Advisory Committee, Health Services Research and Development Service, Department of Veterans Affairs, Washington, D.C. |
| 2006 | Member, Health Services Research Strategic Planning Committee, National Institute on Alcohol Abuse and Alcoholism. |
| 2012-Present | Member, Scientific Panel of Advisors, Hazelden Addiction Treatment Center, Center City, MN |

Presentations

Moos, R. H., & Finney, J. W. New directions in program evaluation: Implications for expanding the role of alcoholism researchers. Paper presented at the Conference on New Directions in Alcohol Abuse Treatment Research, Newport, Rhode Island, October, 1982.

Finney, J. W. Matching alcoholic patients with treatment: Implications for research. Presented at the InterWest Regional Medical Education Center Conference on Assessment of Substance Abusers, Menlo Park Veterans Administration Division, December, 1982.

Finney, J. W., Mitchell, R. E., Cronkite, R. C., & Moos, R. H. Estimating main and interactive effects in regression analysis. Presentation at the Biostatistics Seminar, Department of Psychiatry, Stanford University, April, 1983.

Moos, R. H., & Finney, J. W. A systems perspective on problem drinking among older adults. Paper presented at the Workshop on the Nature and Extent of Problems among the Elderly, Washington University School of Medicine, St. Louis, Missouri, November, 1983.

Finney, J. W., & Moos, R. H. Environmental assessment and evaluation research. Presentation at the Senior Executive Seminar, Addiction Research Foundation, Toronto, Ontario, Canada, April 1984.

Finney, J. W., & Moos, R. H. Matching alcoholic patients with treatment: Conceptual and methodological issues. Presentation to the research staff of the Clinical Institute of the Addiction Research Foundation, Toronto, Ontario, Canada, April, 1984.

Finney, J. W., & Moos, R. H. Life stressors and problem drinking among older adults. Presentation at the Palo Alto Senior Center, Palo Alto, California, May, 1984.

Finney, J. W., Moos, R. H., & Cronkite, R. C. The process and effects of alcoholism treatment: Applying an expanded paradigm of evaluation research. Presentation at the Alcohol Research Group, Medical Research Institute, Berkeley, CA, September, 1984.

Finney, J. W., & Moos, R. H. The expanding scope of alcoholism treatment evaluation. Paper presented at the First Annual Stanford Scientific/Medical Conference on Alcoholism, Palo Alto, California, November, 1984.

Finney, J. W., & Moos, R. H. The expanding scope of alcoholism treatment evaluation research. Presentation at the Extramural Research Seminar, National Institute on Alcohol Abuse and Alcoholism, Rockville, MD, July, 1985.

Moos, R. H., & Finney, J. W. The expanding scope of alcoholism treatment evaluation. Presented at the annual meeting of the American Psychological Association, August, 1985.

Finney, J. W., & Moos, R. H. A program-improvement model of evaluation research. Presented at the Second Annual Stanford Conference on Alcoholism, Palo Alto, California, February, 1986.

Finney, J. W. Older problem drinkers: Special patients? Special treatments needed?. Presented at a Department of Counseling and Special Education Workshop, University of Nebraska, Omaha, Nebraska, March, 1986.

Finney, J. W. Evaluating alcoholism treatment programs. Presented at the Michigan Alcohol Program, University of Michigan, Department of Psychiatry, Ann Arbor, MI, November, 1986.

Finney, J. W. The expanding scope of alcoholism treatment evaluation. Presented at the Conference on Evaluating Recovery Outcomes, Program on Alcohol Issues, University of California, San Diego, February, 1988.

Finney, J. W. Matching persons with treatments: Concepts and methods. Presented at the Conference on Evaluating Recovery Outcomes, Program on Alcohol Issues, University of California, San Diego, February, 1988.

Finney, J. W. Matching patients with treatments: Conceptual and methodological issues. Presented at the Alcohol Research Group, Medical Research Institute, Berkeley, CA, April, 1988.

Finney, J. W. An expanded paradigm for evaluating psychiatric services. Presented at the Veterans Administration, Health Services Research and Development Service, Annual Field Program Meeting, San Francisco, CA, June 29, 1988.

Finney, J. W. Theory and method in alcoholism treatment evaluation. Presented at the University of New Mexico, Training Program in Treatment Evaluation, January 26, 1989.

Finney, J. W. Evaluating alcoholism treatment: Context, process and effects. Presented at the Faculty Research Seminar for Residents, Department of Psychiatry and Behavioral Sciences, Stanford University, August 30, 1989.

Finney, J. W. Preparing a grant application for a substance abuse treatment research project. Presented at the Martinez VAMC/University of California-San Francisco Conference: Chemical Dependency Update 1991, Concord, CA, September, 1991.

Finney, J. W. Enhancing comparative treatment evaluations. Presented at the NIAAA Treatment Research Branch Technical Assistance Workshop, Hilton Head Island, SC, April, 1992.

Finney, J. W. Evaluating psychiatric treatment programs. Presented at a Department of Health Services Research and Policy Seminar, Stanford University, October, 1992.

Finney, J. W. Theory-driven treatment research: A useful perspective in a health services context. Presented at the NIAAA Workshop on Health Services Research on Alcohol Abuse and Alcoholism, September, 1993.

Finney, J. W. Making treatment evaluations more explanatory: Examining mediators and moderators of treatment effects. Presented at the Research Society on Alcoholism Meeting, June, 1994

Finney, J. W. Identifying effective treatments for alcohol use disorders: Synthesizing research findings. Presented at the San Francisco VAMC, San Francisco, California, April, 1996.

Finney, J. W. Lessons learned from meta-analyses of alcohol treatment outcome studies. Presented at the NIAAA Workshop on Health Services Research, Berkeley, California, November 7, 1997

Finney, J. W. Can alcohol treatment research be translated into practice guidelines? Presented at the Research Institute on Addictions, Buffalo, New York, November 21, 1997.

Finney, J. W. Are 300 alcohol treatment trials a good basis for developing practice guidelines? Presented at the Addiction Research Foundation, Toronto, Canada, April 24, 1998.

Finney, J. W. Lessons learned from meta-analyses of alcohol treatment outcome studies. Presented at the UCSF Stanford Health Care Training Conference on Dimensions of Addiction, October 13, 1998.

Finney, J. W., Ouimette, P. C., Humphreys, K., & Moos, R. H. A comparative, process-effectiveness evaluation of VA substance abuse treatment programs. Presented at the Texas Christian University Institute of Behavioral Science Conference on Multi-Site Substance Abuse Evaluations, Fort Worth, Texas, May 8, 2000.

Finney, J. W. Relationship between treatment-specified proximal outcomes and patients' substance use outcomes. Presented at the Roundtable on Models and Measures of the Recovery Process, Hazelden Foundation, Center City, Minnesota, October 12, 2000.

Finney, J. W., Moyer, A. C., & Swearingen, C. Outcome Variables and Their Assessment in Alcohol Treatment Studies: 1968-1998. National Institute on Alcohol Abuse and Alcoholism Conference on Assessing Alcohol Treatment Efficacy, Bethesda, Maryland, December 3, 2001.

Finney, J. W., Moos, R. H., & Moyer, A. What Works in Treating Alcohol Use Disorders (and Why We Don't Know More): Revisiting the American Psychiatric Association Guideline. Annual Meeting of the American Psychiatric Association, Philadelphia, Pennsylvania, May 20, 2002.

Tiet, Q. Q., Finney, J., Asano, E., Liu, K., Tregor, G., Gillo, S., & Hix, R. Suicide Attempt and Its Correlates Among Substance Abuse Patients. Poster presented at the Annual Meeting of the American Psychological Association Annual Convention, Chicago, Illinois, August, 2002.

Willenbring, M. L., Hagedorn, H., Finney, J., Postier, A., & Kenny, M. The Opiate Agonist Therapy Effectiveness Initiative: Baseline and preliminary outcome results. Presentation at the VA Health Services and Development Annual Scientific Meeting, Washington, D.C., February 2003.

Tiet, Q. Q., Byrnes, H., Finney, J., Tregor, G., Gillo, S., Hix, R., & Liu, L. Outcomes of Substance Use Patients. Poster presented at the Annual Meeting of the American Psychological Association, Toronto, Canada, August, 2003.

Byrnes, H. F., Finney, J. W., Tiet, Q. Q., Tregor, G., Liu, L., Kuang, S., & Strumolo, A. Needs-service matching in substance use disorder treatment program. Poster presentation at the Research Society on Alcoholism Meeting, Vancouver, Canada, 2004

Tiet, Q. Q., Finney, J. W., Byrnes, H. F., Tregor, G., Liu, L., Kuang, S., & Strumolo, A. Treatment setting/psychiatric symptom interaction effects on alcohol outcomes. Poster presentation at the 112th American Psychological Association Annual Convention, Honolulu, HI, August, 2004.

Tiet, Q. Q., Finney, J. W., Byrnes, H. F., Tregor, G., Liu, L., Kuang, S., & Srumolo, A. Evaluation of a new monitoring system and substance use disorders patients' outcomes. Poster presentation at the 112th American Psychological Association Annual Convention in Honolulu, HI, August, 2004.

Finney, J. W., Wilbourne, P., Moyer, A., Cherkasova, E., Masaquel, A., Miller, A., & Swearingen, C. Pharmacological treatments for alcohol use disorders: A comprehensive meta-analysis. Poster presentation at the Research Society on Alcoholism Meeting, Santa Barbara, CA, June, 2005.

Wilbourne, P. L., Teleki, J., Naravich, E., Moyer, A., & Finney, J. W. A meta-analysis of pharmacological treatments for alcohol use disorders: Impact of concurrent psychosocial interventions on effect sizes. Poster presentation at the Research Society on Alcoholism Meeting, Baltimore, MD, June 2006.

Finney, J. W. Posttreatment mediators of substance use disorder treatment effects. Second Annual Pre-conference Workshop: The search for mechanisms of change in evidence-based behavioral treatments. Research Society on Alcoholism Meeting, Baltimore, MD, June, 2006.

Weitlauf, J.C., Frayne, S., Finney, J., Ruzek, J., & Lee, T. Psychological Reactions to gynecological examinations among women veterans with a history of sexual trauma. Poster Presented at the Annual Convention of the Bay Area Clinical Research Symposium, San Francisco, CA, October, 2006.

Finney, J. W. Regression to the mean in substance use disorder treatment research. Addiction Health Services Research Conference. Little Rock, AR, October, 2006.

Barnett, P., Mistry, G., Tiet, Q., & Finney J. The cost of substance use rehabilitation across the continuum of settings. Health Services Research and Development National Meeting, Washington, DC, February, 2007.

Finney, J. W. Regression to the mean in substance use disorder treatment research. Research Society on Alcoholism Meeting, Chicago, IL, July, 2007.

Harris, A. H. S., Humphreys, K., & Finney, J. W. Veterans Affairs facility performance on Washington Circle indicators and casemix-adjusted effectiveness. Poster presentation at the Annual Meeting of the American Psychological Association, San Francisco, CA, August, 2007

Harris, A. H. S., Humphreys, K., Bowe, T., Kivlahan, D., & Finney, J. W. Measuring the quality of addiction treatment. Assessing the VA Continuity of Care quality measure. Poster presentation at the Addictions Health Services Research Conference, Athens, GA, October, 2007.

Tiet, Q. Q., Finney, J., & Moos, R. Screening psychiatric patients for illicit drug use disorders and problems: A review. American Psychological Association Annual Convention, San Francisco, CA, August, 2007.

Finney, J. W. Regression to the mean in substance use disorder treatment research. Center on Alcoholism, Substance Abuse and Addictions, University of New Mexico, Albuquerque, NM April, 2008.

Finney, J. W. VA health services research. Presentation at the VA Medical Center, Reno, NV, May, 2008.

Harris, A. H. S., Humphreys, K., Bowe, T., Kivlahan, D., & Finney, J. W. Measuring the quality of addiction treatment: Assessing the VA Continuity of Care quality measure. Poster presentation at the VA HSR&D National Meeting, Baltimore, MD, February, 2008.

Harris, A. H. S., Humphreys, K., Bowe, T., Kivlahan, D., Hyun, J., & Finney, J. W. Developing a new quality measure for outpatient addiction treatment for the VA. AcademyHealth Annual Meeting, Washington, DC, June, 2008

Finney, J. W., Humphreys, K., Kivlahan, D. R., & Harris, A. H. S. Incongruence between patient-level and facility-level performance measure-outcome relationships: Implications for quality management and research. Poster presentation at the Addiction Health Services Research Conference, San Francisco, CA, October, 2009.

Finney, J. W., Humphreys, K., Kivlahan, D. R., & Harris, A. H. S. Differences between patient- and facility-level performance measure-outcome relationships: Implications for health care quality management and research. Presentation at the Kaiser Permanente Division of Research, Oakland, CA, January, 2010.

Harris, A. H. S., & Finney, J.W. Multi-level modeling (and thinking) in the development and validation of health care quality measures. Presentation at the 8th International Conference on Health Policy Statistics. Washington DC, January, 2010.

Finney, J. W., Humphreys, K., Kivlahan, D. R., & Harris, A. H. S. Differences between patient-level and facility-level performance measure-outcome relationships: Implications for quality measurement and management. Poster presented at the Twelfth International Conference on Treatment of Addictive Behaviors, Santa Fe, NM, February, 2010.

Finney, J. W. (Analyses for Examining) Mediation and moderation of intervention effects. Methodological workshop presented at the VA HSR&D Career Development Award Conference, San Francisco, CA, February, 2010.

Harris, A., Kivlahan, D., Barnett, P. & Finney, J. Do Substance Abuse Residential Rehabilitation Treatment Programs with longer average lengths of stay have better outcomes? Poster presented at the 2010 HSR&D National Meeting on Mental Health and Substance Use Disorders, Little Rock, AR, April, 2010.

Harris, A., Kivlahan, D., Barnett, P. & Finney, J. Is longer duration of treatment associated with better outcomes in VHA's Substance Abuse Residential Rehabilitation Treatment Programs? Poster presented at the AcademyHealth Annual Research Meeting, Boston MA, June 2010.

Harris, A., & Finney, J. Benefits of partnerships between HSR&D, QUERI, OQP, and operations in the development and validation of quality measures. Poster presented at the VA OQP/Patient Safety/Systems Redesign Meeting. San Francisco, CA, June, 2010.

Humphreys, K., Blodgett, J. C., Keller, K. E., Maisel, N. C., Wilbourne, P. A., & Finney, J. W. Are overly restrictive eligibility criteria and unrepresentative samples unique to treatment research with substance use disorder patients? Poster presented at the Annual Symposium of the Society for the Study of Addiction, York, UK, November 11, 2010.

Harris, A., & Finney J. Validation of process quality measures. Workshop presented at the VA HSR&D National Meeting, National Harbor, MD, February, 2011.

Keller, K. E., Blodgett, J. C., Maisel, N. C., Wilbourne, P. L., & Finney, J. W. Pharmacotherapy treatment for alcohol use disorders: Are women represented in randomized controlled trials? Poster presented at the Western Psychological Association Convention, Los Angeles, CA, April, 2011.

Finney, J. W. Why health care process performance measures can have different relationships with outcomes for patients and hospitals: Understanding the 'ecological fallacy'. Presented at the Stanford Health Policy Research in Progress Seminar, Stanford, CA May, 2011.

Blodgett, J.C., Maisel, N. C., Fuh, I.L., Wilbourne, P. L., & Finney, J. W. Meta-analysis of continuing care treatments for substance use disorders. Poster presented at the Western Psychological Association Convention, San Francisco-Burlingame, CA, April, 2012.

Blodgett, J.C., Maisel, N. C., Fuh, I.L., Wilbourne, P. L., & Finney, J. W. How effective is continuing care for substance use disorders? A meta-analytic review. Poster presented at the Research Society on Alcoholism Meeting, San Francisco, CA, June, 2012.

Del Re, A.C., & Finney, J. Placebo group improvement in trials of pharmacotherapies for alcohol use disorders: A multivariate meta-analysis examining change over time. Symposium at the Society for Psychotherapy Research, Virginia Beach, VA, June, 2012.

Del Re, A.C., & Finney, J. Placebo group improvement in trials of pharmacotherapies for alcohol use disorders: A multivariate meta-analysis examining change over time. Poster presented at the Research Society on Alcoholism Meeting, San Francisco, CA, June, 2012.

Maisel, N. C., Blodgett, J. C., Wilbourne, P. L., Humphreys, K., & Finney, J. W. Meta-analysis of naltrexone and acamprosate for treating alcohol dependence: When are these medications most helpful? Poster presented at the Research Society on Alcoholism Meeting, San Francisco, CA, June, 2012.

Finney, J. W. Evaluation of the HSR&D Career Development Program: Some preliminary results. Presented at the HSR&D Career Development Award Conference, National Harbor, MD, July 2012.

Maisel, N. C., Blodgett, J. C., Wilbourne, P. L., Humphreys, K., & Finney, J. W. Meta-analysis of naltrexone and acamprosate for treating alcohol use disorders: When are these medications most helpful? Presented at the VA HSR&D/QUERI National Conference in National Harbor, MD, July, 2012.

Finney, J. W. Relationships between health care process performance measures and outcomes for patients and hospitals: Understanding the ecological fallacy. Presented (by WebEx) at the Centers for Medicare & Medicaid Services Quality Measurement and Health Assessment Group's Measures Forum, Bethesda, MD, September, 2012.

Finney, J. The course of substance use disorders: Remission and resolution, relapse and mortality. Presented at the Annual Meeting of the American Psychopathology Association, New York, NY, March, 2013.

Finney, J. W. Are misinterpreted, hospital-level relationships between process performance measures and outcomes undermining evidence-based patient care? Presented as a VA HSR&D Health Economics Resource Center Cyberseminar, Menlo Park, CA, May, 2013.

Harris, AHS, Finney, J, Asch, S, Ellerbe, L, Phelps, T, Bowe, T, Gupta, S, Humphreys, K, & Trafton, J. Predictive validity of new measures of addiction treatment quality. Paper presented at Addiction Health Services Research, Portland OR, October, 2013.

Cronkite, R., Finney, J., & Halvorson, M. An evaluation of the HSR&D Career Development Award Program. Presented as a VA HSR&D Cyberseminar, July 8, 2014.

Harris, AHS, Finney, J, Asch, S, Ellerbe, L, Phelps, T, Bowe, T, Gupta, S, Humphreys, K, & Trafton, J. Predictive validity of two process quality measures for residential substance use disorder treatment. To be presented at the annual meeting of AcademyHealth, Minneapolis, MN, June, 2015.

Finney, J. W. Implementation of evidence-based mechanisms of change in alcohol-focused care. Presented at the 15th Annual Mechanisms of Behavior Change Conference, San Antonio, TX, June 20, 2015.

Grants as PI

Meta-Analysis of Alcoholism Treatment Outcome Research. AA08689 National Institute on Alcohol Abuse and Alcoholism, September, 1990, to August, 1994, \$238,661.

Meta-Analysis of Alcoholism Treatment Outcome Research. AA08689 National Institute on Alcohol Abuse and Alcoholism, \$238,661; July, 1996, to June, 2001 (with no-cost extension), \$450,000.

System for Monitoring Substance Abuse Patients' Outcomes and Care. SUS-99-015 Health Services Research and Development Service, Department of Veterans Affairs, July, 2000, to March, 2005 (with no-cost extension), \$1,319,500.

Substance Use Disorders Quality Enhancement Research Initiative. Health Services Research and Development Service, Department of Veterans Affairs, October, 2003, to July, 2006, \$700,000.

HSR&D Center for Health Care Evaluation. Health Services Research and Development Service, Department of Veterans Affairs, October, 2003, to January, 2009, \$4,512,000.

Enhancing Development and Implementation of Decision Support. IMA 04-156 Health Services Research and Development Service, Department of Veterans Affairs, January, 2005, to December, 2006, \$200,000.

Meta-Analysis of Alcoholism Treatment Outcome Research. 2R01AA08689-08A1 National Institute on Alcohol Abuse and Alcoholism. August 1, 2009, to April 30, 2012, \$546,250.

Evaluation of the HSR&D Career Development Program. SDR10-182 Health Services Research and Development Service, Department of Veterans Affairs, July 1, 2010, to December 31, 2011, \$318,645.

Research Interests

Evaluation of substance use disorders treatment programs, alcohol use disorders, impact of social environments; translation of research into substance use disorders treatment practice; performance measurement.

Honor

Elected a Fellow in Division 50 (Addictions) of the American Psychological Association, 2004.

Professional Associations

Research Society on Alcoholism.
