<input type="checkbox"/> Pedestrian Zone Identifier				

PEDESTRIAN ZONE ACCESS/PERMIT

Revised 7/2017

2017-18 PEDESTRIAN ZONE ACCESS/PERMIT APPLICATION

PEDESTRIAN ZONE ACCESS PROTOCOL

General Rules:

- Only authorized vehicles are permitted to access the Pedestrian Zone.
- Vehicles not displaying a valid PZ or SV permit are subject to citation and/or towing.
- Vehicular access and parking permits are granted / provided by Stanford's Parking & Transportation Services.
- All vehicles (including University vehicles) must observe the posted parking and loading time limits.
- University vehicles marked with the Stanford seal on the side need a Service Vehicle permit with a Pedestrian Zone sticker or a PZ placard to park within the Pedestrian Zone.
- Departments housed in the PZ may receive one free Pedestrian Zone Loading/Unloading permit. These permits allow 20-minute parking within the zone for loading/unloading purposes only.
- "After-Hours Pedestrian Zone" permits are good after 4 p.m. and on weekends, when longer stays are okay, and are available to any department located within the Pedestrian Zone.

During business hours (M-F, 6 a.m. - 4 p.m.), you'll need:

- **A Service Vehicle permit with a Pedestrian Zone sticker:** We sell Service Vehicle permits by the day, month, or year. Make sure to display these prominently on your dash or front windshield. The PZ access stickers are issued at the discretion of Parking & Transportation Services.

Or:

- **A Pedestrian Zone Loading/Unloading permit:** These placards are issued at the P&TS office and must be displayed on your rear-view mirror or dashboard. During non-business hours (after 4 p.m. and on weekends), you'll need a **PZ After-Hours permit**.

Access through gates: Upon PZ access approval, P&TS can grant access through the Duena and/or CERAS gates by programming your valid SUID card, issuing you a temporary SUID card, issuing you a vehicle prox pass, or providing you a keypad combination for the gate. There is a \$25.00 fee for each temporary SUID card issued or a \$35 fee for a vehicle prox pass. If you lose your gate card or prox pass, you must pay to have it replaced.

Access through pneumatic bollards: Upon PZ access approval, P&TS can grant access to specific areas by providing a remote control device for the pneumatic bollards. There is a \$50.00 fee to replace a lost or damaged bollard remote. Contracted service vendors sponsored by Stanford affiliates will be required to leave a \$50.00 deposit.

Access approval is reviewed on an annual basis. Access privileges will expire on 9/30/18 unless an application for 2018-19 is submitted and accepted.

PERMIT TYPE & QTY REQUESTED	PAYMENT METHOD	
PZ Identifier (Red cardstock placard) _____	<input type="checkbox"/> Cash	DEPARTMENT ONLY <input type="checkbox"/> SU13 (attach form) <input type="checkbox"/> P-Card

PZ After-Hours (Blue hangtag) _____	<input type="checkbox"/> Credit Card (Visa, MasterCard, or Discover) Do NOT fax or mail credit card information. Submit the application, and P&TS will call you for the information.	
PZ Access Approved (Sticker on SV permit) _____		

PLEASE READ AND SIGN:

I certify the above information is true. I agree to the terms stated in the Stanford University Traffic and Parking Code. I understand that transfer or unauthorized use of access cards or combinations may result in revocation of my access and/or parking privileges. I acknowledge that loss of, or damage to, a gate access card will necessitate payment of a \$25.00 replacement fee. Loss of, or damage to, a bollard remote will cost \$50.00. Loss of, or damage to, a vehicle proximity device will cost \$35.00.
