

Notes for Docent Class – Bio 96 – Escobar Gate Class
March 31st, 2005

Not planning on talking about Bedstraw, Venus' Comb / Shepherd's Needle & Fillerle
Going Directly to Serpentine

Cindy - Rules including not walking on Serpentine and they identify families on the way back,
Not necessarily in groups.

Judy - Quick orientation on Use of Wildflower Identification Tools

Plant list (not using)

Plant key
