

Application Requirements 2018-2019 Restrictive Early Action – International Students

IMPORTANT DATES

CSS Profile Available – October 1

IDOC Available – November 1

Priority Filing Date – November 15

Award Notification – December 15

CSS Profile (College Scholarship Service)

- The CSS Profile application is available online at <https://cssprofile.org/>.
- Stanford's CSS school code is **4704**.
- If your parents are divorced, separated, or were never married, each parent will need to provide CSS Profile information separately, using individual login credentials. We recommend that the student and the custodial parent complete the CSS Profile first.
- If you do not have contact with your noncustodial parent, you may complete a Noncustodial Parent Waiver Request form, which is available for download at <https://financialaid.stanford.edu/pdf/ncpwaiver19.pdf>. Submit your signed form directly to the Financial Aid Office at <https://financialaid.stanford.edu/upload/>.

International Student Certification of Finances

- Download at <https://financialaid.stanford.edu/pdf/IntlCertFin19.pdf>.
- Submit the completed, signed form directly to the Financial Aid Office at <https://financialaid.stanford.edu/upload/> or fax to (650) 725-0540.

Canadian Citizens only: IDOC (Institutional Documentation Service)

- Once you have submitted your CSS Profile, you will receive an email message from CSS with instructions for completing the IDOC process.
- Submit signed copies of 2016 Canadian tax statements using the IDOC process.
- Canadian applicants do not need to complete the International Student Certification of Finances.

International students who are applying for aid must indicate this intention on the admission application.
