Payments for User Fees

In the past two years, there have been 3,179 **PRIA payments** made, with 736 of these payments (~23%) made by check, bank drafts or money orders through the PRIA lockbox

In the past two years, there have been 3,065 **maintenance fee payments** made with 1,939 of these payments (~63%) made by check, bank drafts or money orders through the maintenance fee lockbox

Policy Changes for the Collection of User Fees

- ❑ Treasury has mandated the closure of EPA lockboxes by the end of FY'15
 - ❑ Will eliminate check payments for both PRIA and maintenance fees
- ❑ Checks, bank drafts and money orders will no longer be processed through the lockboxes effective September 30, 2015
 - ❑ Last day that checks should be sent to the lockboxes should be September 15, 2015 to allow time to be processed
- ❑ Treasury will no longer accept credit card payments above \$25,000 beginning June 1, 2015
- ❑ Any payments above \$25,000 must be made by electronic funds transfer (ACH) via pay.gov
 - ❑ PayPal and Dwolla are being added as payment options in May but only have a maximum payment amount of \$10,000
