

COVID 19 - Stanford Learning Center **Social Distance Protocols**

Updated January 29, 2021

The well-being of all users and employees is our top priority!

Please be advised that current protocols are subject to change at any stage due to the evolving nature of the state and local response to the global pandemic. We greatly appreciate your cooperation during this time of transition back to full time business.

Standards on Behavior:

- All Stanford Golf Course users must abide by California, Santa Clara County, and Stanford University Health mandates.
- All users asked to stay at home if they have any symptoms consistent with Covid-19 or any other viral illness.
- All users must socially distance at all times and be receptive to staff who will be charged with enforcing compliance with these measures.
- Stanford Golf Course reserves the right to ask any user to vacate the premises if not abiding by required protocols.

Learning Center Protocols:

- We will now require masks at ALL TIMES both on the course while playing and at the learning center while practicing. Our current stipulations on social distancing and masking in and around all parking lots, clubhouse, and golf shop areas remain in place.
- Learning Center Staff to wear gloves and masks at all times
- Credit card payment only
- Limited number of customers in the pro shop and allowed near mats to practice
- One way traffic into and out of pro shop
- Floor marking for social distancing
- Concessions will be closed until further notice
- Putting green flags to be removed
- Water fountain available for bottle fill only
- Balls, buckets, and crates disinfected before and after use
- Private Lessons will be allowed and provided under social distance protocols
- Normal Business Hours apply
